Dear : Mr. Pittet

REZONING
Location: 85 Horace Street
Riel Community Committee
File No. DAZ 236 /03

An application has been received from ND LEA on behalf of the St. Boniface Hospital, to amend By-Law No. 6400/94 by rezoning the land shown below from a“ C1” Commercial District to a “ C2” Commercial District to allow for a non -accessory parking lot.

RELATED FILES:DAV03-330745/D

SITE DESCRIPTION:

Site Area:
Approximately 8831 sq. feet

Existing Land Use and Zoning:
The property has recently been utilized as an accessory parking area for the Norwood Hotel and prior to that it provided accessory parking for a now removed Taco Bell Restaurant. It is currently zoned 'C1' Commercial.

Surrounding Land Use and Zoning:

North: To the north along Marion are a number of commercial businesses zoned C2 Commercial.
South: To the south is a mix of housing from single family and two family housing along the south side of Horace to apartment blocks adjacent to St. Mary's Road.
East: To the east is a large parking area zoned C1 Commercial.
West: To the west are commercial buildings zoned C2 Commercial.

DEVELOPMENT DESCRIPTION:
The St. Boniface proposes to purchase the subject property and use its 24 stalls for additional staff/employee parking. The lot has , for years, been utilized as an accessory parking area for both the Norwood Hotel and a recently vacated Taco Bell Restaurant which was situated across the lane on Marion. And because the lot lay adjacent to the aforementioned businesses, no rezoning was required. However, in order for the Hospital to utilize the property for parking, a rezoning to a C2 Commercial category is required given that the lot is not accessory to the Hospital. An accompanying use variance has also been processed (not to exceed one year in duration) in order to allow the Hospital to use the site for parking in advance of the rezoning being finalized.

PLAN WINNIPEG:
The site in question falls within a designated Neighbourhood Policy Area which does allow for accessory and non accessory parking areas.

ADMINISTRATIVE COMMENTS:
There is , in our view, no outstanding issues with the proposed rezoning and use of the property. The new owners are not expanding the site or altering the use in any way. Access to the site off the existing lane remains unchanged. It is therefore recommended that your Committee endorse the proposed change in zoning as submitted.

RECOMMENDATION:

I. That By-law 6400/94 be amended by rezoning the subject land as shown on Schedule "A", for file DAZ 236/03, attached hereto and dated Nov.24/03, to a " C2" Commercial District.

II. That a 10 per cent dedication be made by a payment of a sum of money to the City in lieu of the requirement for land dedication based on the increase in the market value of the land.

III. That, in the event this application is not proceeded with expeditiously and the by-law is not enacted within twenty-four (24) months after adoption of this report by Council, the matter shall be deemed to be concluded and shall not be proceeded with unless an extension of time is applied for prior to the expiry of this twenty four (24) month period and the extension is subsequently approved by Council.

IV. That the City Solicitor be requested to prepare the necessary rezoning by-law and forward same to Council for all three readings.

V. That the City Solicitor be requested to do all things necessary for implementation in accordance with the terms of The City of Winnipeg Act.

Final
