ZONING AGREEMENT AMENDMENT
Location : 2654/2660 Pembina Hwy.
Riel Community
File No. ZAA 14/03

An application has been received from Frontier Toyota Ltd. To amend the Zoning Agreement affecting the property shown by deleting clause No. 2 of the Zoning Agreement to DAZ 238/84 which states : “ No building , structure or land shall be used and no building shall be erected, altered or enlarged on the land for any use except: 1) automobile sales area and showroom, open or enclosed & incidental pre –servicing & warranty repairs for automobiles sold on the premises; 2) signs as accessory to the use in (1) above and ; 3) accessory uses.

SITE DESCRIPTION:

Dimensions:

Approximately 160’ by 200’ in depth.

Site Area:

Approximately 32,000 sq. feet or ¾ of an acre.

Existing Land Use and Zoning:

There is an existing one storey structure zoned C2 Commercial on the subject property.

DEVELOPMENT DESCRIPTION:

The entire property currently owned by Frontier Toyota has almost 400’ of frontage along Pembina Highway, all of which is zoned C2 Commercial. However the most southerly 170 feet (¾ acre) was rezoned separately from the northern portion and has a much more restrictive zoning agreement. Additionally, the existing building which once housed Frontier Toyota, lies in part in the area governed by the original less restrictive agreement and in part in the area governed by the more recent more restrictive agreement. In order to more easily market the entire property and rectify the inconsistency in agreements, the applicant therefore has made application to amend the agreement established in 1984 by deleting the aforementioned clause 2, thereby allowing for the same set of permitted C2 uses permitted on the north half of the property.

ADMINISTRATIVE COMMENTS:

Almost twenty years has passed since By-Law 238/84 was passed, so it is difficult to know what prompted the very restrictive agreement in the first place. Certainly , at that time, restrictive agreements were commonplace given that at that time, potentially disruptive uses like carwashes and convenience stores were not conditional under many of the local by-laws. However that is no longer the case. By-Law 6400/94 has identified and made conditional any uses which may have an adverse effect on adjoining neighbourhoods, thereby often avoiding the need for restrictive agreements. It is the position of this Department that the requested amendment can and should be supported both because 1) it will clean up the situation whereby two vastly different agreements apply to effectively one property and 2) the restrictive nature of clause 2 is no longer pertinent given the nature of development that has occurred in the interim on adjoining lands.

RECOMMENDATION:

I. That Zoning Agreement DAZ 238/84(By-Law # 3854/84) be amended by deleting clause 2 of the agreement which states: ‘ No building, structure or land shall be used and no

building shall be erected or altered or enlarged on the land for any use except: 1) automobile sales area and showroom, open or enclosed, and incidental pre-servicing and warranty repairs for automobiles sold on the premises; 2) signs as accessory to the use in (1) above; 3) accessory uses.

II. That the City Solicitor be requested to prepare the necessary Amending Agreement to Zoning Agreement DAZ 238/84(By-Law# 3854/84) dated Nov. 8/84 , as approved in aforesaid Clause 1.

III. That the Proper Officers of the City are hereby authorized to execute said Amending Agreement.

IV. That the City Solicitor be requested to do all things necessary for implementation in accordance with the terms of The City of Winnipeg Charter.
