City of Winnipeg Meetings:

- I attended the Active Transportation Advisory Committee meeting on Wednesday March14.

- The final report for the Rick Hansen Foundation has been submitted, as well as the request for the final funding for the City of Winnipeg ($3,000) outstanding project funds for the Transcona Aquatic Centre. We will have to wait until the snow melts in order to send the final as built pictures of the project, as well as a picture of the permanent plaque from the Rick Hansen Foundation. They said the cheque is in the mail.

- I attended the Universal Design Steering Committee Meeting on Monday March 19.

- I attended a preliminary meeting with Judy Redmond and Susanne Dewey-Povoledo on March 8th regarding the review of the existing OurWinnipeg document and the proceeding input from the Access Advisory Committee. In the meantime, I will be asking Louis Gaudry, Ken Shachtay, Judy Redmond and myself to meet ahead of the Policy Subcommittee in order to provide a little more structure to the feedback layout.
