Minutes – Access Advisory Committee – March 27, 2018

REPORTS

Item No. 2 Update from the Universal Design Coordinator

COMMITTEE DECISION:

The Access Advisory Committee received as information the verbal update of the Universal Design Coordinator.

Further, the Access Advisory Committee assigned the Committee Coordinator to write a letter stating the position of the Access Advisory Committee regarding the Empress Street Reconstruction Project, recommending that the guard rail on the accessible ramp from Portage Avenue to Empress Street be raised in height, and that the upper and lower hand rails remain in the plans for the ramp.

DECISION MAKING HISTORY:

Moved by Louis Gaudry,

That the verbal report of the Universal Design Coordinator be received as information.

Carried

Moved by Larry Baillie,

That the Committee Coordinator be assigned to write a letter stating the position of the Access Advisory Committee regarding the Empress Street Reconstruction Project recommending that the guard rail on the accessible ramp from Portage Avenue to Empress Street be raised in height, and that the upper and lower hand rails remain in the plans for the ramp.
