EXECUTIVE SUMMARY

Winnipeg Police Service (WPS) agrees that together with Main Street Project Inc. (MSP), it will set forth the roles and responsibilities, pursuant to The Intoxicated Persons Detention Act, to deliver intoxicated persons to the facility located at 75 Martha Street for detainment. The WPS agrees to pay funding to MSP during the term of the Agreement from April 1, 2018 and continuing until March 31, 2021 with the option of extension for one year.

2. That the City enter into, execute and deliver the Service Agreement with MSP and such other agreements as determined necessary by the City Solicitor / Director of Legal Services to implement the intent of the foregoing (the “Ancillary Agreements”).

3. 5. That the proper officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

REASON FOR THE REPORT

Council approval is required to enter into the Service Agreement with MSP.

IMPLICATIONS OF THE RECOMMENDATIONS

The recommendations set out in this report will allow the City to enter into a Service Agreement with MSP, clarifying the arrangements between the parties and establishing the procedures under which intoxicated persons will be delivered to the facility and detained.

HISTORY/DISCUSSION

The Intoxicated Persons Detention Act is a Provincial Act that authorizes a peace officer who finds an intoxicated person in a place with public access to take that person into custody.

The MSP facility located at 75 Martha Street is designated as a detoxication centre and MSP has agreed to have the WPS take intoxicated persons to its facility for detainment pursuant to the Act. The Service Agreement formalizes a detention process that previously existed.

Costs associated with the program are identified for each year with the funds required to be paid to MSP by the WPS, effective April 1, 2018 and continuing until March 31, 2021 with the option of extension for one year. Previous to the 2017 provincial funding basket approach, the cost of the program was funded by the WPS, with the Province of Manitoba providing full reimbursement. MSP costs are now part of the provincial funding basket received by the WPS.

On March 12, 2018 the Winnipeg Police Board received this report from the Winnipeg Police Service for review and consideration. On March 13, 2018, through communication from the Secretary, the Winnipeg Police Board advised that it accepted this report for information, and indicated that the Winnipeg Police Service may proceed with the submission of this report as funds have been budgeted and the intention is in keeping with the needs, values and expectations of the community.
