The Winnipeg Public Service has no objection to this request.

2. That the proper officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

REASON FOR THE REPORT

Council approval is required for an extension of time.

IMPLICATIONS OF THE RECOMMENDATIONS

If the recommendation is concurred in, the Developer will be allowed a time extension to April 26, 2019, to complete the necessary registrations at the Winnipeg Land Titles Office.

HISTORY/DISCUSSION

On December 11, 2013, Council adopted Item No. 2 of the Report of the Standing Policy Committee on Property and Development, Heritage and Downtown Development dated December 3, 2013 which recommended approval of a subdivision and rezoning to a "C4" Commercial Regional District under Winnipeg Zoning By-Law 200/2006. See Appendix "A" map attached.

Recommendation 5 contained in the report stipulates:

> "That in the event the matter is not proceeded with expeditiously and the by-law is not passed within two years after adoption of the report by Council, the matter shall be deemed to be concluded and shall not be proceeded with unless an extension of time is applied for prior to the expiry of the two-year period and Council approves the extension."

The necessary by-law was not passed and the two-year period was due to expire on December 11, 2015.

On December 7, 2015, the applicant, Mr. Justin Zarnowski of Shindico Realty Inc., 200 – 1355 Taylor Avenue, Winnipeg, Manitoba, R3M 3Y9 on behalf of the Developer, 2514109 Manitoba Limited, submitted a request for an extension of time in order to satisfy the necessary by-law enactment requirements.

On February 24, 2016, Council adopted Item No. 12 of the Report of the Standing Policy Committee on Property and Development, Heritage and Downtown Development dated February 16, 2016 which recommended approval of an extension of time for the enactment of the necessary rezoning by-law be extended to September 30, 2016.

On September 13, 2016, the applicant submitted a request for a further nine-month extension of time. On November 16, 2016, Council adopted Item No. 14 of the Report of the Standing Policy Committee on Property and Development, Heritage and Downtown Development dated November 8, 2016 which recommended approval of an extension of time for the enactment of the necessary rezoning by-law be extended to December 30, 2016.

On December 23, 2016, the applicant submitted a request for a further two month extension of time. On March 22, 2017, Council adopted Item No. 7 of the Report of the Standing Policy Committee on Property and Development, Heritage and Downtown Development dated March 7, 2017 which recommended approval of an extension of time for the enactment of the necessary rezoning by-law be extended to April 28, 2017.

On April 26, 2017, By-law No. 27/2017 was enacted by Council. Section 3 of By-law No. 27/2017 stipulates:

Coming into force

3(1) Section 1 comes into force when The City of Winnipeg executes the Development Agreement referred to in that section, which execution notwithstanding passage of this By-law shall remain in the absolute discretion of City Council.

3(2) Section 2 comes into force when the plan of subdivision is registered in the Winnipeg Land Titles Office and Zoning Agreement DASZ 33/2013 is registered in the Winnipeg Land Titles Office by caveat against the subject land within one year from the date this By-law is passed, failing which this By-law will expire unless an extension of time is applied for prior to expiry, Council approves the extension, and the caveat is registered before the extended date.

By-law No. 27/2017 has not come into force by the required registration of the Plan of Subdivision and the required Zoning Agreement DASZ 33/2013 by caveat in the Winnipeg Land Titles Office and the one (1) year time limit is due to expire on April 26, 2018.

On April 10, 2018, the applicant submitted a request for the fourth extension of time in order to complete the necessary registrations at the Winnipeg Land Titles Office. See Appendix "B" attached.

The Winnipeg Public Service has reviewed this request for an extension of time and is of the opinion that approval of the subject extension of time would be acceptable and circumstances leading to the original approval remain unchanged.
