Dear : Mr. Pittet

REZONING
Location: 264, 266, 268 St. Anne’s Rd.
Riel Community Committee
File No. DAZ 237 /03

An application has been received from Mr. Kenton Fast, to amend By-Law No. 6400/94 by rezoning the land shown below from an “ R2” Two Family Residential District to a “ C2” Commercial District to allow for the establishment of a commercial building.

RELATED FILES: NA

SITE DESCRIPTION:

Site Area:
Approximately 18,240 sq. feet.

Existing Land Use and Zoning:
Several residential dwelling units occupy the northern half of the site and they are zoned R2 Two Family District.

Surrounding Land Use and Zoning:

North: To the immediate north is a veterinary clinic zoned C2 Commercial.
South: To the south is a restaurant (currently being demolished) zoned C1 Commercial.
East: To the east on the opposite side of St. Annes are medium to high density apartment buildings zoned RM-4 Multiple Family.
West: To the west is a fully developed single family residential subdivision zoned R1-5 Single Family Residential.

DEVELOPMENT DESCRIPTION:
The new owners propose to construct a 2500 sq. foot single storey commercial building with what appears to be one tenant, possibly for a bank or offices. That is as specific as we can be at this time given that there is little or no detail in the application with respect to use. The accompanying site plan does indicate two new approaches off of St. Annes with provision for 33 parking stalls. The proposed building is to be sited adjacent to the north property line.

PLAN WINNIPEG:
The proposed development falls within a designated Neighbourhood Policy Area which permits the establishment of C2 commercial businesses.

ADMINISTRATIVE COMMENTS:
The proposed rezoning to a C2 Commercial category is not inconsistent with what is currently in place on properties fronting St. Annes, north and south of Fermor Avenue. Small businesses, some in small commercial malls are commonplace along St. Annes mixed with concentrations of multiple family housing and the occasional single family dwelling. There is little information at this time related to what kind of business is proposed for this site. However the information submitted does suggest that it is probably a small office building. Uses which could pose a problem for adjoining neighbours on St. Elmo Road, such as carwashes, convenience stores and drive thru restaurants etc. are not permitted outright and are conditional under the C2 zoning. Access to the site , according to the plans appears to be restricted to St. Annes and we would further suggest that a solid wood fence 6’ feet high be constructed along the west periphery of the site to shield existing residents west of the lane.

RECOMMENDATION:

I. That By-law 6400/94 be amended by rezoning the subject land as shown on Schedule "A", for file DAZ 237/03, attached hereto and dated November 24/03 to a " C2" Commercial District, subject to the following:

A. That the applicant enter into a zoning agreement with the City of Winnipeg pursuant to Subsection 240(1) of The City of Winnipeg Charter, to provide for the following:

1. That final site plans indicating details of approaches, building locations, parking , signage, garbage enclosure and fencing (specifically as it relates to the construction of a 6' foot high solid wood fence along the entire length of the west property line of the site) be submitted and approved by the Director of Planning, Property & Development Department prior to the issuance of any building permits.

II. That a 10 per cent dedication be made by a payment of a sum of money to the City in lieu of the requirement for land dedication based on the increase in the market value of the land.

III. That, in the event this application is not proceeded with expeditiously and the by-law is not enacted within twenty-four (24) months after adoption of this report by Council, the matter shall be deemed to be concluded and shall not be proceeded with unless an extension of time is is applied for prior to the expiry of this twenty four (24) month period and the extension is subsequently approved by Council.

IV. That the City Solicitor/ Manager of Legal Services be requested to prepare the necessary rezoning by-law and forward same to Council for all three readings.

V. That the rezoning by-law shall come into effect when the Zoning Agreement has been registered by caveat as a first charge against the subject land at the Winnipeg Land Titles Office, provided that the said effective date occurs within twenty-four (24) months from the date that the said rezoning by-law is adopted by Council.

VI. That the Proper Officers of the City are hereby authorized to execute said Zoning Agreement.

VII. That the City Solicitor be requested to do all things necessary for implementation in accordance with the terms of The City of Winnipeg Charter.

Final
