Report – Standing Policy Committee on Infrastructure Renewal and Public Works – June 26, 2018

Item No. 4 Granular Lane Improvement Program – Pilot Project Extension

STANDING COMMITTEE RECOMMENDATION:

On July 4, 2018, the Executive Policy Committee concurred in the recommendation of the Standing Policy Committee on Infrastructure Renewal and Public Works and submitted the following to Council:

1. That the Granular Lane Improvement program be extended for resident-initiated Local Improvements to pave granular lanes with asphaltic concrete based on a first come, first serve basis.

2. That the current Local Improvement process be amended by extending the pilot project, adopted by Council on November 20, 2013, for an additional six years whereby the City of Winnipeg will finance asphalt local improvements to the maximum of 50% of the total costs for asphaltic concrete pavement and consistent with current practice, the City will finance the cost of land drainage sewers required to implement the Local Improvement.

3. That the $1,000,000 Granular Lane Improvement Program Fund (2018 Adopted Capital Budget 2-23) and the $500,000 Land Drainage Sewers fund (2018 Adopted Capital Budget 2-231) continue to be utilized as a funding source for the City's share of the amended Local Improvement Program.

4. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing.
