EXECUTIVE SUMMARY

The time limit for the Coming into Force provisions of By-law No. 40/2017 under File No. DASZ 8/2015 expire on May 24, 2018. The developer has not been able to satisfy all of the conditions prior to expiry and has requested an extension of time to complete the necessary registrations at the Winnipeg Land Titles Office.

The Winnipeg Public Service has no objection to this request.

RECOMMENDATIONS

1. That the time limit to satisfy the Coming into Force provisions of By-law No. 40/2017 be extended to May 24, 2019.

2. That the proper officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

REASON FOR THE REPORT

Council approval is required for an extension of time.

IMPLICATIONS OF THE RECOMMENDATIONS

If the recommendation is concurred in, the Developer will be allowed a time extension to May 24, 2019, to complete the necessary registrations at the Winnipeg Land Titles Office.

HISTORY/DISCUSSION

On July 15, 2015, Council adopted Item No. 1 of the Report of the Standing Policy Committee on Property and Development , Heritage and Downtown Development dated June 26, 2015 which recommended approval of a subdivision and rezoning to a "C3" Commercial Corridor District under Winnipeg Zoning By-Law 200/2006. See Appendix "A" map attached.

The rezoning By-law No. 40/2017 was passed by Council on May 24, 2017. See Appendix "A" map attached.

Section 3 of By-law No. 40/2017 stipulates:

Coming into force

3 (a) Section 1 comes into force when the plan of subdivision is registered in the Winnipeg Land Titles Office.

(b) Section 2 comes into force when the Zoning Agreement DASZ 8/2015 is registered in the Winnipeg Land Titles Office by caveat against the subject land within one year from the date this By-law is passed, failing which this By-law will expire unless an extension of time is applied for prior to expiry, Council approves the extension, and the caveat is registered before the extended date.

By-law No. 40/2017 has not come into force by the required registration of the Plan of Subdivision and the required Zoning Agreement in the Winnipeg Land Titles Office. The By-laws current time limit will expire on May 24, 2018.

The Developer, Public City Architecture Inc., Attention: Mr. Andrew Lewthwaite, 707 Sara Avenue, Winnipeg, Manitoba, R3G 0Y8, on behalf of the owner Boquist Developments Inc. is requesting a six month extension of time in order to complete the necessary registrations at the Winnipeg Land Titles Office. A telephone discussion with Mr. Lewthwaite revealed that it may take several months to resolve encumbrances with the leasee Ford Motor Company of Canada Ltd. to obtain the necessary signatures which will enable the registration to occur. Therefore, a one year extension was recommended to allow for additional time if necessary. See Appendix "B" attached.

The Winnipeg Public Service has reviewed this request for an extension of time and is of the opinion that approval of the subject extension of time would be acceptable as circumstances leading to the original approval remain unchanged.

Re: **SUBDIVISION AND REZONING ON LAND LOCATED AT 3600 & 3636 PORTAGE AVENUE – Assiniboia Community – File No. DASZ8/2015**
Formal Request for Extension of Time - Registration of Consolidated Lot and Zoning Agreement Caveat with Land Titles

Dear Ms. Savage & Ms. Hammerberg

Regarding the above noted subject line with reference to the Proposed Subdivision and Rezoning on Land Located at 3600 & 3636 Portage Avenue (File No. DASZ 8/2015), we are writing on behalf of our client the Owner (Boquist Developments Inc.) to request an extension of 6 months to complete the formal registration of the new plan of subdivision, the consolidated status of title, and new zoning agreement caveat between the Owner and the City of Winnipeg with the Property Registry for the following reasons:

1. The subject properties (3600 and 3600 Portage Avenue) have a total of 12 caveats/encumbrances registered against their titles that have to be discharged or transferred by amendment to the new consolidated title before the subdivision/consolidation can be formally registered with the Manitoba Land Titles Office of The Property Registry. To date, 8 of the 12 caveats/encumbrances have been resolved by our client's legal counsel.

2. Our client's legal counsel is actively working towards resolving the final 4 encumbrances which are as follows:

    a. Caveat No. 2497087/1 – Lease – Ford Motor Company of Canada Ltd.
    b. Caveat No. 2497088/1 – Ford Motor Company of Canada Ltd.
    c. Caveat No. 4190220/1 – Assignment of Leases – The Toronto Dominion Bank
    d. PPSN No. 34190221/1 – The Toronto Dominion Bank

    Our understanding is that The Ford Motor Company caveats must be resolved prior to the Toronto-Dominion Bank caveat and PPSN. Our client's legal counsel has been working, and will continue to work with the solicitors of both the Ford Motor Company, and the Toronto Dominion Bank to amend or discharge the items above as quickly as possible, in order to be able to register the subdivision/consolidation, along with the new zoning agreement between Boquist Developments and the City of Winnipeg as a caveat, which is the final step in the process related to the subdivision and rezoning under DASZ 8/2015.

3. Our client's legal counsel has indicated that steady progress is being made on the encumbrances noted above, however, due to their complexity, it is unlikely that full discharge and/or amendment enabling formal registration of the subdivision will be possible prior to the May 24th, 2018 expiry date tied to the zoning agreement ratification. We anticipate an additional 6 months will provide them with enough time to complete the legal work involved in amending or discharging these final encumbrances. The revised expiry date for registration of the subdivision and zoning agreement on the new consolidated title with The Property Registry would be November 22nd, 2018, if approved.

Please let us know if you have any questions, and advise at your earliest convenience whether the request for extension is acceptable.

Sincerely,

Andrew Lewthwaite | MAA MRAIC
