Subject: RE: Exchange Biz - Kubota Request

Good Afternoon Jim & Derek,

We did hear back from Legal late last week and unfortunately as the Biz does not constitute a part of the City of Winnipeg our Agency Operating Charter does not allow for this type of transaction to take place.

It was recommended that the Biz look into the process of submitting a "Grant" application for Council consideration for the cost of the UTV, (Bobcat 3650 4X4), and attachments (bucket, blade & sand spreader). The quote provided by the vendor has the unit and attachments costing an estimated $38,000 before taxes.

Sorry that we weren't able to assist with this request but if there is anywhere else we may be able to help out please do not hesitate to contact us

Thank you,
Dennis
