Business Plan Format/Template

1.0 EXECUTIVE SUMMARY

The Executive Summary is an overview and concise summary of the key contents of the business plan.

This section should not be prepared until the other components of the business plan are completed. It should be coherent enough to stand separately as a decision document.

- **Introduction** – A brief description of GCWCC and the major services it provides including historical overview, mission and vision statements.
- **Strategic Direction** – Summarize the long-term strategic direction that GCWCC has developed to move it forward, demonstrating how the direction is consistent with the City of Winnipeg strategic documents
- **Service Goals and Strategies** - Document the goals and strategies of GCWCC for the services it provides considering strengths and challenges
- **Highlights** - Include the highlights of the business plan and what decisions are being proposed and/or requested.
    - Major issues facing GCWCC
    - A summary of the expected financial results and any requests for incremental budget amounts
    - Clearly state what GCWCC will do with the resources entrusted to it
    - Requests for approval for policy direction and delegated authorities
    - Listing of critical success factors necessary for the successful implementation of the business plan
- **Conclusion** – reinforcing what GCWCC is going to do, expected outcomes and deliverables
