RE: Technical Amendment – By-law No. 79/2018

On September 20, 2018, Council enacted By-law No. 79/2018 which amended Winnipeg Zoning By-law No. 200/2006 by replacing Map 1 contained in Schedule "O", the Academy Road Neighbourhood Main Street Planned Development Overlay 1 (the "PDO").

It has come to our attention that the map contained within By-law No. 79/2018 incorrectly removes the affected properties from the PDO, rather than move them from Area 1 to Area 2 of the PDO in accordance with Council's decision dated March 22, 2018.

Enclosed is an amending by-law to correct the aforementioned error. Legal Services considers this amendment to be technical in nature and accordingly, Legal Services proposes that this amendment be brought to Council's attention by communication.

An electronic copy of the By-law has been provided by my assistant to Jennifer Ridge and Ken McKenzie via email.

If you have any questions, feel free to contact me.

Thank you.
