EXECUTIVE SUMMARY

The time limit for the Coming into Force provision of By-law No. 124/2016, under File No. DASZ 1/2015, will expire on October 29, 2018, unless the expiry date is extended. The developer has not been able to satisfy all the conditions and has requested a second extension of time to complete the necessary registrations at the Winnipeg Land Titles Office.

The Winnipeg Public Service has no objection to this request.

RECOMMENDATIONS

1. That the time limit to satisfy the Coming into Force provisions of By-law No. 124/2016 be extended to October 30, 2019.

2. That the proper officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

REASON FOR THE REPORT

Council approval is required for an extension of time.

IMPLICATIONS OF THE RECOMMENDATIONS

If the recommendation is concurred in, the Developer will be allowed a time extension to October 30, 2019, to complete the necessary registrations at the Winnipeg Land Titles Office.

HISTORY/DISCUSSION

On June 17, 2015, Council adopted Item No. 2 of the Report of the Standing Policy Committee on Property and Development dated June 2, 2015 which recommended approval of the subject subdivision and rezoning to a “RMF-M” Residential District under the Winnipeg Zoning By-law 200/2006. The rezoning By-law No. 124/2016 was passed by Council on October 26, 2016. See Appendix "A" map attached.

Section 1 of By-law No. 124/2016 stipulates:

Plan of Subdivision

1 The plan of subdivision shown below is approved, subject to a Development Agreement for Servicing being entered into between the City of Winnipeg and the registered owner or persons entitled to be registered owner of the subject land.

Section 3 of By-law No. 124/2016 stipulates:

Coming into force

3 (1) Section 1 comes into force when The City of Winnipeg executes the Development Agreement for Servicing referred to in that section, which execution notwithstanding passage of this By-law shall remain in the absolute discretion of City Council.

(2) Section 2 comes into force when the plan of subdivision is registered in the Winnipeg Land Titles Office and Zoning Agreement DASZ 1/2015 is registered in the Winnipeg Land Titles Office by caveat against the subject land, all within one year from the date this By-law is passed, failing which this By-law will expire unless an extension of time is applied for prior to expiry, Council approves the extension, and the plan of subdivision and caveat are registered before the extended date.

By-law No. 124/2016 has not come into force by the required registration of the Plan of Subdivision and the required Zoning Agreement DASZ 1/2015 by caveat in the Winnipeg Land Titles Office and the one (1) year time limit expired on October 26, 2017.

On November 15, 2017, Council concurred with Item No. 4 of the report of the Standing Policy Committee on Property and Development, dated November 7, 2017, recommending that the time limit to provide for enactment of Zoning By-law No. 124/2016 coming into force be extended to October 29, 2018.

The Developer and the City have yet to execute the required Development Agreement for Servicing and the Zoning Agreement DASZ 1/2015 referred to in 3(1) and 3 (2) above.

On August 28, 2018, a second extension of time request was received by the applicant, Karl Devlin representing Exquisite Homes, requesting additional time in order to finalize the necessary Development Agreement for Servicing and complete the necessary registrations at the Winnipeg Land Titles Office. See Appendix “B” attached.
The Winnipeg Public Service has reviewed this request for an extension of time and is of the opinion that approval of the subject extension of time would be acceptable as circumstances leading to the original approval remain unchanged.
