WHEN A CONTRACT IS CALLED IT IS ONLY FAIR THAT THE LOW BIDDER GET THE CONTRACT

Pantel operated by Gerry Pantel , the owner of Provencher Appliances has been running a million dollar operation for 20 years after being a fine teacher for 30 years

He owns probably a million + dollars worth of real estate in Winnipeg and has paid hundreds of thousands of dollars in property taxes .

I have bought 20 + appliances from him - all excellent, i have used his service department 20 times - always prompt, reasonable and effective.

He has been doing appliance pick up for many businesses for years..... he has a loyal staff and enough trucks to handle the contract - he can easily increase the fleet if required.

I urge city council to do the right thing and give the contract to Pantel .

please read at Tuesday morning's executive policy meeting. I will try to be there in person

thank you
