EXECUTIVE SUMMARY

On July 3, 2018 the Standing Policy Committee on Protection, Community Services and Parks directed the Public Service to investigate funding opportunities and partners to support educational and commemorative opportunities such as public art and plaques along the renamed Parkway to improve public awareness and knowledge of the meaning and significance of the name.

The City of Winnipeg is the recipient of a $40,000 contribution for the renaming and rebranding of the North Winnipeg Parkway. This process will include an Indigenous naming ceremony, trail signage and development of seven interpretive sites exploring the importance of the seven sacred teachings along the trail. Funding for this project was previously approved through Land Dedication Reserve from the Mynarski Ward in the amount of $70,000 and $6,800 from the Communication and Education Strategy Roll-out funds in the 2018 Pedestrian and Cycling Program.

The 2018 Pedestrian and Cycling Action Plan as part of the Capital Budget must be increased to include the $40,000 grant funding from Trans Canada Trail.

The Trans Canada Trail will fund 34.8% of actual eligible expenditures up to the maximum contribution amount of $40,000.

RECOMMENDATIONS

1. That a grant in the amount of $40,000 be approved from the Trans Canada Trail for the renaming and rebranding of the North Winnipeg Parkway.
2. That the City enter into, execute and deliver a contribution agreement with the Trans Canada Trail, and such other agreements as determined necessary by the City Solicitor / Director of Legal Services to implement the intent of the foregoing (the "Ancillary Agreements").

3. That authority be delegated to the Chief Financial Officer to negotiate and approve the terms and conditions of the grant agreement with the Trans Canada Trail and the Ancillary Agreements, in accordance with this report and such other terms and conditions deemed necessary by the City Solicitor / Director of Legal Services to protect the interests of the City.

4. That an increase to the 2018 Pedestrian and Cycling Action Plan as part of the Capital Budget to include the $40,000 grant funding from Trans Canada Trail be approved.

5. That the proper officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

REASON FOR THE REPORT

Council approval is required for the City to enter into the grant agreement with Trans Canada Trail and to amend the 2018 Pedestrian and Cycling Action Plan as part of the Capital Budget.

IMPLICATIONS OF THE RECOMMENDATIONS

The contribution agreement must be signed and returned to the Trans Canada Trail and 2018 Pedestrian and Cycling Action Plan increased to include the $40,000 in funding as soon as possible in order to receive and utilize the incremental $40,000 grant funds.

HISTORY/DISCUSSION

On July 3, 2018 the Standing Policy Committee on Protection, Community Services and Parks concurred with the recommendation of the Winnipeg Public Service, Administrative Report – Renaming the North Winnipeg Parkway. The Public Service was directed to investigate funding opportunities and partners to support educational and commemorative opportunities such as public art and plaques along the renamed Parkway to improve public awareness and knowledge of the meaning and significance of the name.

The Winnipeg Public Service was also directed to rename the North Winnipeg Parkway to “Migizi Parkway” to commemorate Indigenous communities and peoples. Stakeholder engagement confirmed that the intention is considered an appropriate action and an important step in reconciliation. However, consultation flagged concern that the process is not in line with Indigenous cultural practices; that naming comes from a sacred ceremony and thus the pre-determination of the name “migizi” in advance would not respect these cultural practices. Instead, what is recommended is that a traditional naming ceremony be held to determine a name.

The City of Winnipeg is the recipient of a $40,000 contribution for the renaming and rebranding of the North Winnipeg Parkway. This process will include an Indigenous naming ceremony, trail signage and development of seven interpretive sites exploring the importance of the seven sacred teachings along the trail. The above mentioned report identifies that the remaining funding required for this project will be provided by way of Land Dedication Reserve from the Mynarski Ward in the amount of $70,000 and $5,000 from the Communication and Education Strategy Roll-out funds in the 2018 Pedestrian and Cycling Program.

The 2018 Pedestrian and Cycling Action Plan as part of the Capital Budget must be increased to include the $40,000 in grant funding from Trans Canada Trail.

Per the attached contribution agreement the Trans Canada Trail will fund 34.8% of actual eligible expenditures up to the maximum contribution amount of $40,000.

Description

The study is to look at a community-led proposal that would rebrand the North Winnipeg Parkway with a traditional Indigenous name, and develop seven interpretive sites along the trail that explore the importance of the seven sacred teachings.

Background

North Winnipeg has a high Indigenous population and a relatively long history with Indigenous people. In the spirit of reconciliation and a sense of place and excitement, it is an important time to educate, inspire and continue a process of healing. The intent is to draw visitors to North Winnipeg and the beauty of the river, while inviting them to learn and share in a culture and belief system that are unique to the Indigenous people of the region.

APPENDIX B — Promotion and Recognition

Appendix B is provided to ensure that TCT (national) and the Recipient (local) benefit as much as possible from the unique and valuable relationship we share.

TCT recognizes that the Recipient commonly engages in a variety of fundraising activities, in addition to receiving financial support from TCT.

The Recipient recognizes that TCT also fundraises for local Trail projects in their provincial/territorial jurisdiction, in addition to providing fundraising advice and limited support to recipients requiring assistance.

Guiding Principles

Collaboration: TCT and the Recipient recognize their shared responsibility to collaborate on achieving their goals and priorities, and are committed to a multi-sector approach.

Stewardship: The Recipient recognizes that donors have entrusted TCT to invest their support in order to ensure the greatest impact. The Recipient will work with TCT to meet their commitment to donors.

This appendix is a commitment by the Recipient to TCT. The contribution provided through this agreement has been supplied, in part, through donations to Trans Canada Trail and TCT is committed to recognizing these donors for their support.

Trans Canada Trail agrees to:

1. Give a contribution to the Recipient for the completion of the project, as described in the Agreement.
2. At its discretion, promote Trail sections, funded programs and initiatives within the Province/Territory through a variety of channels, including but not limited to: Trans Canada Trail's website, social media channels, as well as campaign and promotional materials.
3. Consult and provide guidance with respect to fundraising, upon request (when feasible) to reduce donor confusion.
4. Ensure regular and timely communications with the Recipient on any matter that may affect their relationship with TCT or the terms of the Contribution Agreement.

The Recipient agrees to:

1. Promote TCT by acknowledging its contribution in communications and marketing materials, including adding the Trans Canada Trail and The Great Trail logos to the organization's website and including them in advertising, annual reports, newsletters and news releases.
2. Prepare or collaborate, as required, on the development of an event to acknowledge the project (i.e. announcement of contribution, trail opening, etc.) and provide a speaking opportunity for a TCT representative.

3. Portray Trans Canada Trail and The Great Trail positively in all verbal and written communication to the public.
4. Protect Trans Canada Trail's brand identity by following brand and logo usage guidelines.
5. Partner with Trans Canada Trail throughout the term of this agreement to support marketing and content materials such as blogs, newsletters and other engagement programs that help to demonstrate our work together in the Province/Territory.
5. Refrain from fundraising from national corporations who may have already given to Trans Canada Trail. TCT will, in turn, refrain from fundraising from local and provincial branches of similar national corporations. If there are questions about who these national corporate donors are, and/or if advice is required to coordinate a stronger approach to ensure success of your organization, please contact TCT's VP, Resource Development at TCT, Simone Hicken (shicken@tctrail.ca).
6. Participate in donor recognition initiatives, such as thank yous to donors, when appropriate, thereby making a tangible connection between donations to Trans Canada Trail and improvements to The Great Trail.
7. Provide, for TCT's review, any publication, printed recognition, or signage featuring the TCT logo, prior to publication.
8. Notify TCT in advance of any public events related to the project, and provide an opportunity for TCT representation and recognition at the event. Notification should be sent to Danielle St-Aubin, VP Communications and Marketing (dstaubin@tctrail.ca).

While it is not conditional to this agreement, demonstrating tangible recognition of local donors who have contributed to the success of the project, including notifying TCT, will reflect positively on your organization and will be considered in future funding requests submitted to TCT.

TCT also encourages recipients to follow The Great Trail on social media and share its content when possible.
