Report – Governance Committee of Council – February 20, 2019

DECISION MAKING HISTORY:

COMMITTEE RECOMMENDATION:

On February 20, 2019, the Governance Committee of Council passed the following resolution, namely:

WHEREAS on June 27, 2018, the Governance Committee of Council received as information the External Auditor's Report on the 2017 Councillors' Ward Allowance (CWA) Fund Policy;

AND WHEREAS as part of that report, the External Auditor recommended the following:

CARRY OVER MONIES NOT TRANSFERRED TO THE GENERAL REVENUE:

1. We believe that the funds should be returned to General Revenue Account, and if management believes that the policy is unclear in this regard, then the policy should be clarified in order to reduce ambiguity.

COUNCILLOR EXECUTIVE ASSISTANT:

2. Unusual expenditures or circumstances should be brought to the Governance Committee of Council for direction.

POTENTIAL CUT-OFF ERROR:

3. The City Clerk & the Corporate Finance department should ensure the recording of the expenditures in the proper period. In situations where an invoice has not been received at year-end an accrued payable should be recorded. In situations where an invoice is received prior to the service being received (i.e. advertisement), a prepaid expense should be recorded and the expenditure should be recorded when the services is received.

CLASSIFICATION ERROR & OTHER POLICY COMPLIANCE ISSUES:

4. The City Clerk and the Corporate Finance Department should ensure proper classification of the expenses. Additionally, as stated in the policy in order to be reimbursed for the tuition fees, the Councillor should complete the course or the program.

AND WHEREAS the Governance Committee of Council believes strongly in ensuring the CWA policy is continuously reviewed, clarified and updated to ensure maximum accountability and proper stewardship of public monies used by elected officials to perform their duties while in office;
