Agenda – Council – February 28, 2019

Report – Standing Policy Committee on Property and Development, Heritage and Downtown Development – February 4, 2019

Item No. 9 List of Historical Resources – Nomination of Manitoba Medical College Building (University of Manitoba Faculty of Medicine), 750 Bannatyne Avenue

STANDING COMMITTEE RECOMMENDATION:

On February 19, 2019, the Executive Policy Committee concurred in the recommendation of the Standing Policy Committee on Property and Development, Heritage and Downtown Development and submitted the following to Council:

1. That Manitoba Medical College Building (University of Manitoba Faculty of Medicine), 750 Bannatyne Avenue, be added to the list of Historical Resources with the following character defining elements:

   Exterior:

   - The two-storey brick and stone structure with raised basement, its main façade facing north onto Bannatyne Avenue, its south and east façades covered by additions, its west façade facing another building and an open greenspace;

   - The front (north) façade with three-storey central tower with stone detailed arched entrance, arched main floor window and Palladian window on the top floor, wings with windows in rectilinear openings in the basement, arched openings with stone keystones and continuous stone heads on the main floor and rectilinear openings with continuous stone sills and wide stone lintels on the second floor and patterned brickwork between the first and second storey windows and overhanging eaves with bracketing; and

   - Front portion of the west façade with grooved brick wall on the ground floor, windows in arched openings with stone keystones and continuous stone heads on the main floor and rectilinear openings with continuous stone sills and wide stone lintels on the second floor and patterned brickwork between the first and second storey windows and overhanging eaves with bracketing;

   - Rear portion of the west façade with raised stone foundation, windows in arched openings on the main floor with stone key stones and stone lug sills and the second floor with rectilinear openings and stone lug sills and lintels.

Report – Standing Policy Committee on Property and Development, Heritage and Downtown Development – February 4, 2019

STANDING COMMITTEE RECOMMENDATION (continued):

Interior:

- Examples of the original ornamental tin ceiling.

2. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

Report – Standing Policy Committee on Property and Development, Heritage and Downtown Development – February 4, 2019
