EXECUTIVE SUMMARY

This Administrative Report provides information regarding the 2019 budget requirements from the school divisions that are located within the boundaries of the City of Winnipeg as well as the Provincial Education Support Levy.

Section 184 of *The Public Schools Act* requires Council of the City of Winnipeg to fix and impose an Education Support Levy. Section 188 similarly requires the fixing and imposition of a Special Levy.

Therefore, in compliance with the mandatory provisions of *The Public Schools Act*, Council adopts the necessary by-laws required to fix and impose taxes sufficient to meet that portion of the cost of education required to be raised through levies on assessable property within the City of Winnipeg in 2019.

RECOMMENDATIONS

1. That, in compliance with the mandatory provisions of *The Public Schools Act*, Council adopts the necessary by-laws required to fix and impose taxes sufficient to meet that portion of the cost of education required to be raised through levies on assessable property within the City of Winnipeg in 2019.

2. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing, including the submission of the necessary by-laws.

REASON FOR THE REPORT

Section 184 of *The Public Schools Act* requires Council of the City of Winnipeg to fix and impose an Education Support Levy. Section 188 similarly requires the fixing and imposition of a Special Levy.

IMPLICATIONS OF THE RECOMMENDATIONS

Property owners in the City of Winnipeg are affected by increases or decreases in education related mill rates.

There is no financial impact to the City of Winnipeg organization as the establishing of the education-related mill rates is revenue-neutral to the operating budget.

HISTORY/DISCUSSION

The **Education Support Levy** represents an amount the Province of Manitoba collects for educational purposes province-wide. Each municipality in the province is required to bill, collect and remit its respective share of this total amount.

The **Special Levy** represents the various school divisions' additional requirements or portions of their costs that do not qualify for provincial assistance under the province-wide Education Support Levy. In accordance with legislation, Council is required to annually collect and remit the City's share of these two levies to the Province and the school divisions respectively.

Provincial Education Support Levy

The Provincial Education Support Levy represents an amount the Province of Manitoba collects for educational purposes province-wide. Each municipality in the province is required to bill, collect and remit its respective share of this total amount.

The Provincial Education Support levy on Residential property was eliminated in 2006.

The Provincial Education Support levy on non-residential ("Other") property is $110,145,767 representing a decrease of $2,637,124 or 2.3% from 2018.

The 2019 requirement corresponds to a mill rate of 9.820 for "Other" property which is 2.5% lower than the 2018 mill rate (see Schedule "A").

Special Levy

The Special Levy represents the various school divisions' additional requirements or portions of their costs that do not qualify for provincial assistance under the province-wide Education Support Levy.

The City's eight school divisions' 2019 Special Levy requirements total $603,828,422, an increase of $16,861,086 or 2.9% over their 2018 requirement. This change in Special Levy requirements ranges from a 3.8% increase in the St. James-Assiniboia School Division to a 0.2% decrease in the Seine River School Division (see Schedule "A").

The change in the school divisions' Special Levy requirements, coupled with the change in their respective portioned assessment subject to this levy, has resulted in mill rate changes ranging from a 0.5% decrease in the Seine River School Division to a 3.5% increase in the St. James-Assiniboia School Division (see Schedule "A").

Impact of Combined Mill Rate for Education Purposes

For 2019, the combined levies for education purposes in Winnipeg will total $713,974,189, which is $14,223,962 or 2.0% higher than in 2018 (see Schedule “A”).

Based on the 2019 Operating Budget, education taxes now represent 55.0% of all property taxes collected in Winnipeg, compared to 55.5% in 2018 and 55.2% in 2017.
