APPENDIX C Campaign Expenses and Contributions By-Law 28

BACKGROUND

Section 34(f) of *The City of Winnipeg Charter* requires Council to designate, by by-law, a person to assist registered candidates to comply with by-law and statutory provisions relating to campaign expenses and contributions, to examine audited statements filed by registered candidates, and to report to Council on certain matters including any apparent failure of a registered candidate to comply with provisions relating to campaign expenses and contributions. The City of Winnipeg's Campaign Expenses and Contributions By-law No. 10/2010, establishes the position and duties of a Campaign Expenses and Contributions Officer (*Appendix C*).

On April 26, 2018, Council passed By-law No. 45/2018 and appointed Mr. Richard Kachur as the Campaign Expenses and Contributions Officer.

In accordance with By-law No.10/2010, the campaign period for the Office of Mayor commenced on May 1, 2018, while the campaign period for the Office of Councillor commenced on June 30, 2018. The campaign period for the Offices of both Mayor and Councillor ended on March 31, 2019.

In accordance with Section 35 of *The City of Winnipeg Charter*, each candidate was required to file an audited statement not later than May 22, 2019, (for all registered candidates who did not withdraw), or if a candidate was not nominated, or nominated but withdrew, not later than December 24, 2018.

The Campaign Expenses and Contributions Officer has examined and submitted to the Senior Election Official all audited financial statements which are available for inspection by the public. Copies can be purchased from the City Clerk's Department in accordance with the Fees and Charges Policy adopted by Council.

Recommended Amendments to The Campaign Expenses and Contributions By-Law

The following recommendations are submitted for Council's consideration. Some of these recommendations have arisen as a result of comments received during the campaign period as well as personal observations. These recommendations, if approved, should be implemented for the next civic election or by-election.

ISSUES AND RECOMMENDATIONS

1) Communication of Duties

The Campaign Expenses and Contributions Guide compiled by the City Clerk's Department is an excellent resource which has all the information required by candidates, official agents and auditors. Despite this, I received numerous telephone inquiries from candidates, official agents and even auditors who suggested that the City convene information sessions on election duties. Rather than attempt to convene information sessions, I propose that the City Clerk's Department include a "Check List of Duties" for candidates, official agents and auditors, in the Campaign Expenses and Contributions Guide.

2) Deposit/Fee

I continue to support that consideration be given to the requirement of a cash deposit or fee upon registration by an election candidate. Despite clear verbal and written communication regarding the need to file an audited financial statement (in fact, all candidates sign a statement acknowledging their need to do so), there were still six (6) candidates who did not file an audited statement by the deadline date. The following table shows the number of non-filers for the last few electoral events.

ELECTION	DATE	REGISTERED	NON-FILERS
Civic Election	2018	68	6
Civic Election	2014	73	8
Civic Election	2010	62	7
By-Election	2009	3	0
Civic Election	2006	56	0
By-Election	2004	26	7
Civic Election	2002	55	11
By-Election	2000	9	1
Civic Election	1998	63	23

Although the numbers have improved over the years, the problem of non-filers still persists. Not having an audited financial statement submitted reduces openness and transparency and confidence in the electoral process. As well, it puts funds contributed by citizens at risk, as there is no oversight as to how contributions by the public are accounted for or spent. There is often an argument made that a fee or deposit to register discourages or creates barriers for candidates of lower socio-economic means to participate in the election. However, as per Provincial legislation, participating as a candidate is not free from costs; all candidates must

file an audited financial statement prepared by an outside accountant/auditor. Implementing a refundable deposit is simply another means of ensuring that openness and transparency in terms of the electoral process is ensured.

It is therefore recommended that a fee or deposit be imposed upon any person who registers as a Mayoralty or Councillor candidate in an election. The amount of deposit should be set at $1,000.00 for Mayoralty candidates and $500.00 for Councillor candidates. These amounts indicate the seriousness of the process involved. If a registration deposit is implemented, this amount would then be refunded only upon filing of the audited statement by the required deadlines.

3) Use of Electronic Payments

Section 7(f) of the By-law under "Duties of official agent" states as follows:

> "(f) all payments relating to or arising out of the campaign are made only by cheque drawn on such an account;"

The usage of only cheques to make payments is no longer realistic in today's modern age. The By-law should be updated to reflect the use of current technology for payments, to reflect other methods that provide a record of expenditures that can be audited. These include payments made by Debit Cards, Credit Cards and PayPal, with funds for these expenditures being taken from the bank account established for the campaign. There were numerous examples of these technologies used by candidates in this election. I have not cited these as violations of the by-law.

The By-law should also be updated to allow for campaign contributions to utilize current technologies, providing that an appropriate audit trail is actualized.

4) Campaign Deficits

The current laws do not provide for a suitable treatment for campaign deficits. Currently, a candidate is only allowed to contribute to a maximum of $750.00 for a Councillor and $1500.00 for a Mayoralty campaign. The only recourse a candidate has in a deficit position is to incur additional costs at a personal level, especially to pay for the audited financial statement. It is recommended that the By-law acknowledge a campaign deficit and allow the individual to address said deficit.

Of the 63 audited statements filed, a total of 23 candidates, (over one-third of the total), faced a deficit.

5) Banking

Each candidate is required to open an account with a financial institution when filing registration papers. Problems are often encountered, inasmuch as each financial institution has different rules and processes surrounding the opening of accounts. Historically, the City Clerk's Department has worked with each institution upon request, to facilitate the opening of an account. I don't see a solution for this and suggest that the Department continue with its support to the institutions.

In addition, candidates are required to close the account, and pay any surplus funds to the City of Winnipeg. Ostensibly, the auditor is paid in April, and the audited financial statement is filed in May, as is the cheque for surplus funds. However, when the City cashes these cheques, often there have been additional bank charges for April, and May and even June. The City Clerk's Department should provide a section in the Campaign Expenses and Contributions Guide which identifies banking processes for candidates, especially as it relates to budgeting for bank fees.

VIOLATIONS OF THE BY-LAW

1) Filing of Audited Financial Statements

Section 21 of the By-law states as follows:

> "21(1) **Each registered candidate** in an election **must** file with the Campaign Expenses and Contributions Officer an **Audited Financial Statement**…"

There were two filing dates: December 24, 2018 and May 22, 2019. The following information was included in the 2018 Civic Election Campaign Expenses and Contributions Guide:

> "A registered candidate who does not file a Nomination Paper, or who files a Nomination Paper and withdraws, must file their audited financial statement with the Campaign Expenses and Contributions Officer by **December 24, 2018 at 4:30pm**.
>
> A registered candidate who files a Nomination Paper must file their audited financial statement with the Campaign Expenses and Contributions Officer by **May 22, 2019 at 4:30pm**."

Copies of the above mentioned Guide were posted online at the City's Election website, and paper copies of the Guide were provided to each candidate personally upon registration. Each candidate met with a City Official who advised verbally of the need to file an audited financial statement once he/she became a registered candidate, regardless of whether they became an official candidate or not. Finally, the City of Winnipeg required each candidate to personally sign a statement acknowledging that they understood that by becoming a registered candidate, they would be required to file an audited financial statement or face prosecution for violation of the by-law and provincial legislation.

The following list shows those candidates who **DID NOT FILE** an Audited Financial Statement by the required date.

CANDIDATE	REQUIRED FILING DATE
Filippo Palmisani	December 24, 2018
Chad Panting	December 24, 2018
Dave Capar	May 22, 2019
Dean Koshelanyk	May 22, 2019
Stephanie Meilleur	May 22, 2019
Sarowar Miah	May 22, 2019

The filing of an audited statement is critical to the election process. The statement shows funds collected and how they were spent and is prepared by a professional accountant able to undertake audits in Manitoba. It is recommended that prosecution proceed for these violations.

_____ candidate, for the campaign period ending
Name of Candidate

_____ relating to the election held on _____
Date Campaign Period Ended Date of Election

These statements, which have not been , and were not intended to be, prepared in accordance with Canadian generally accepted accounting principles, are solely for the information and use of the Campaign Expenses and Contributions Officer for the City of Winnipeg for complying with By-law No. 10/2010 of*The City of Winnipeg Charter*. The statements are not intended to be and should not be used by anyone other than the specified users or for any other purposes.

These financial statements are the responsibility of the registered candidate and official agent. My/our responsibility is to express an opinion on these financial statements based on my/our audit.

My/our examination was made in accordance with generally accepted auditing standards. Those standards require that I/we plan and perform an audit to obtain responsible assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes such test and other procedures as I/we consider necessary in the circumstances except as explained in the following paragraph.

Due to the nature of the types of transactions inherent in an election campaign, it is impracticable through auditing procedures to determine that the accounting records include all donations of goods and services, receipts and disbursements for the campaign period. Accordingly, my/our verification of these transactions was limited to ensuring that the financial statements reflect the amounts recorded in the accounting records of the candidate, in accordance with established accounting procedures and I/we was/were not able to determine whether any adjustments might be necessary to receipts and disbursements.

In my/our opinion, except for the effect of adjustments, if any, which I/we might have determined to be necessary had I/we been able to satisfy myself/ourselves as to the completeness of the records as described in the preceding paragraph, these statements present fairly the information contained in the accounting records on which the statements are based in accordance with prescribed accounting treatment.
