HISTORY/DISCUSSION

In 2006, the Status of Audit Recommendations Quarterly Report Card was introduced at the request of Audit Committee. The Quarterly Report Card is produced at the end of March, June, September and December and is presented at the next Audit Committee meeting.

On July 15, 2015, a motion was made by City Council that the City Auditor "immediately undertake an independent review of the procurement of the contract and subcontracts related to the Pedestrian and Cycling Strategy so as to ensure that all aspects of the City of Winnipeg Code of Conduct have been upheld and to report their findings back to Winnipeg City Council"; and that "The City Auditor provide recommendations to City Council in the event that they find there is a need to update and modernize the City of Winnipeg Employee Code of Conduct."

On November 23, 2016, the Audit Department reported to Audit Committee and made six recommendations. On December 14, 2016, City Council adopted these recommendations and requested a quarterly update on the status of recommendations.

The attached report provides the results of the Audit Department's review for the period April 1, 2019 to June 30, 2019 of the six recommendations.
