EXECUTIVE SUMMARY

On July 18, 2019, Council directed the Public Service to initiate expropriation proceedings for lands at 10 Royal Mint Drive and Parcel 1 Plan 9035 required for the Fermor Avenue Reconstruction Project (the “Project”).

On August 7, 2019, the Lieutenant Governor in Council waived the requirement for an expropriation inquiry under Order in Council No. 276/2019.

Pursuant to section 9(1) of *The Expropriation Act*, Council is now required to confirm the Declaration of Expropriation. The Public Service recommends that Council confirm the expropriation with no modifications to the Declaration of Expropriation.

RECOMMENDATIONS

1. That the expropriation of lands at 10 Royal Mint Drive and Parcel 1 Plan 9035 for the Fermor Avenue Reconstruction Project, approved at the July 18, 2019 Council Meeting, be confirmed as outlined in the Declaration of Expropriation.

2. That the proper officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

REASON FOR THE REPORT

The Policy for the Sale, Acquisition, Rental, Leasing and Management of Properties adopted by Council on July 18, 1979, requires Council to approve all land acquisition programs and to pass expropriation by-laws.

Council, as the confirming authority, is required to confirm (either with or without modifications) or refuse the Declaration of Expropriation pursuant to section 9(1) of *The Expropriation Act*.

IMPLICATIONS OF THE RECOMMENDATIONS

There are no regulatory, environmental, human resources or other implications associated with this report.

If the expropriation is confirmed, the City will take possession of the expropriated property.

The City will be responsible to compensate all registered owners for the market value of the owner's estate or interest in the land taken and other costs in accordance with The Expropriation Act. An Offer of Compensation will be provided to the expropriated owners subject to Council confirmation of the expropriation.

HISTORY/DISCUSSION

On December 12, 2017, Council approved the forecasted 2019 and 2020 Capital Budget, which included funding for the Project. The Project entails the reconstruction of Fermor Avenue into a four-lane median-divided roadway between Lagimodiere Boulevard and the Canadian National Railway overpass near Plessis Road. Several parcels of private property are required for the Project.

On March 28, 2018, the Chief Administrative Officer authorized the Director of the Planning, Property and Development Department to commence negotiations for all land acquisitions necessary for the Project.

Lands required for the Project include parts of the following properties as shown in Misc. Plan No. 15442/3 (attached hereto as Appendix "A"), namely:

1. 10 Royal Mint Drive
2. Lot 1 Plan 9035 Dawson Rd S &
3. 1353 Dawson Road South
4. Frontage along Dawson Trail subdivision (DASZ 52/2013)

The Public Service has secured the bulk of lands required for the Project via:

- Pending land exchange agreement (DAOC 1/ 2013) that arose out of the Dawson Trail subdivision application (DASZ 52/2013); and
- Expropriation of 1353 Dawson Road South.

The Public Service was unable to conclude the acquisition of part of 10 Royal Mint Drive and part of Parcel 1 Plan 9035 Dawson Road South, as shown on the respective Misc. Plans, No. 15333 (attached hereto as Appendix "B") and 15334/1 (attached hereto as Appendix "C"), through negotiations.

On July 18, 2019, Council instructed the Public Service to initiate expropriation proceedings for the land at 10 Royal Mint Drive and Parcel 1 Plan 9035. The City subsequently applied to the Provincial government to allow the confirming authority to make its order confirming a declaration without an inquiry being conducted.

On August 7, 2019, the Lieutenant Governor in Council waived the requirement for an expropriation inquiry under Order in Council No. 276/2019. The granting of this waiver means that the inquiry requirements under Schedule “A” of *The Expropriation Act* no longer apply to this expropriation.

In accordance with Section 9(1) of *The Expropriation Act,* Council is now required to confirm (with or without modifications) or refuse the Declaration of Expropriation upon the Declaration being submitted to Council. The Public Service recommends that Council confirm the expropriation with no modifications to the Declaration of Expropriation.
