EXECUTIVE SUMMARY

The proposed amendments to the Winter Parking Ban and MBEA Enabling By-Laws replacing references to the "Declared Snow Route Parking Ban" with references to the "Extended Snow Route Parking Ban" will provide a clearer message to the public on the intention of the noted parking ban.

RECOMMENDATIONS

1. That Council enact amendments to the Winter Parking Ban and MBEA Enabling By-Laws (draft amending by-law is attached as Appendix "A") to replace references to the "Declared Snow Route Parking Ban" with references to the "Extended Snow Route Parking Ban".

2. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

REASON FOR THE REPORT

By-law amendments require Council Approval.

IMPLICATIONS OF THE RECOMMENDATIONS

There are no implications arising from receiving this report as information.

HISTORY/DISCUSSION

The parking ban which extends the “Annual Snow Route Parking Ban” (in effect December 1 to March 1 from 2 am and 7am) by two additional hours from midnight to 2 am is currently referenced in section headings in the Winter Parking Ban and MBEA Enabling By-Laws and in all City media materials as “Declared Snow Route Parking Ban”.
The term “Declared” for this parking ban is confusing to the public, especially when the City communicates about lifting it, because it gives the impression that no other parking ban is still in effect. The term “Extended” is clearer and represents better the type of parking ban being lifted. The Public Service intends to move to the “Extended Snow Route Parking Ban” in its public messaging.

The By-law proposed in this report will amend the headings of sections in the Winter Parking Ban By-law and the relevant reference in the MBEA Enabling By-law to refer to an “Extended Snow Route Parking Ban”. Section headings in by-laws have no legal effect and are only provided as an aid to the reader. Despite this, headings can be influential. Changing these section headings to refer to the “Extended Parking Ban” will support efforts by the City to make this switch in its media materials.
