- Community consultation, if applicable (surveys, open houses, etc.)
- City of Winnipeg staff involved in project to date
- Scope of work
- Cost estimates/ quotes
- Project schedule

Project details, plans and supporting documentation may be submitted as attachments.

A Tree Committee was formed 2 years ago to increase awareness to the residents and be a voice to the City on behalf of our Urban Forest. This had been ramped up when we became aware of an initiative in Crescentwood for a Tree Planing Initiative collaborated with the City with the assistance of Councillor, John Orlikow. We reached out to our Councillor, Brian Mayes who has supported us to proceed with this request.

A Tree Planting Initiative would greatly help the Kingston Crescent/Row residents help to restore some of the beautiful canopy of trees we have lost recently due to Dutch Elm Disease and the expected Ash Borer. The neighbourhood originally dubbed 'Elm Park' in 1890 was a popular summertime destination due to the populous number of Elm Trees.

After we received positive feed back from Councillor Brian Mayes we have:

1. Had a meeting with Charles Feaver, who led the Crescentwood initiative whereby they recently planted 60 Trees with the City of Winnipeg grant. He provided knowledge and process of their tree planting initiative.
2. Had a meeting with Forestry which consisted of a walk-about the neighborhood and discussion of the process.
3. Discussions with some community members who will approach Ted McLaughlin, landscape architect, University of Manitoba, to present his presentation on the Urban Forestry of Elm Park with a time frame for sometime late Summer.
4. Consultation with our Residents Association. We are actively spreading information to residents through word of mouth using the Residents Association, an existing email and facebook distribution network for Kingston Crescent and our local street book club.
5. A Community Meeting will be planned for the Fall with a hopeful implementation of the Tree Planting Initiative for the Spring of 2020.
6. We plan to invite Gerry Engel of Trees Winnipeg to present at our Community Meeting.

APPLICANT SIGNATURES

I/We hereby certify that I/we am/are the authorized signing officer(s) for the applying organization and this application is accurate to the best of my/our knowledge.
