EXECUTIVE SUMMARY

This Administration Report requests approval for the 2020 equivalent annual discount rate the City of Winnipeg is offering to property and business owners who elect to pay their taxes in advance of the annual due dates in accordance with Section 334(3) of the City of Winnipeg Charter.

Based on the City's short–term investment interest rate it has been determined that a discount rate of 0.75% for 2020 is considered to be fair to both the City and to the taxpayer.

Setting the discount rate at 0.75% will be near cost recovery, with the program expecting to result in a small net income of $5,484.

RECOMMENDATIONS

1. That prepayment discounts be given on payments received by the Assessment and Taxation Department during the months of January and February 2020 at the following discount rates:

Realty & Personal Property Tax - payable at par up to June 30th	Face Value Discount Rate	Equivalent Annual Discount Rate
January	0.307%	0.75%
February	0.249%	0.75%
Business Tax – payable at par up to May 29th		
January	0.247%	0.75%
February	0.188%	0.75%

2. That, pursuant to Subsection 334(3) of The City of Winnipeg Charter, Council enact the Taxes – Discounts for Prepayments By-law (draft by-law attached as Schedule 'A') to provide prepayment discounts of the City's 2020 Realty, Personal Property and Business Taxes in accordance with Recommendation 1 of this Report.

3. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

REASON FOR THE REPORT

Subsection 334(3) of *The City of Winnipeg Charter* permits the City to provide for the allowance of discounts when taxes are prepaid, as stated below:

> *334(3) Council may pass by-laws in respect of real and personal property taxes and business taxes*
>
> *(c) providing that, when taxes are paid other than by installments, discounts at rates prescribed in the by-law may be allowed on amounts that are prepaid on account of those taxes by dates specified in the by-law.*

Council annually adopts a by-law establishing a discount rate that will financially benefit the City and, at the same time, provide an investment opportunity for taxpayers.

IMPLICATIONS OF THE RECOMMENDATIONS

If approved, the City offer an annual equivalent discount rate of 0.75% on tax payments made in advance. This recommendation results in a project net income of $5,484.

HISTORY/DISCUSSION

The proposed discount rates are based on information received from the Financial Services Branch of Corporate Finance, which considers 1.70% as the City's short-term investment interest rate for 2020, which remains the same as in 2019. A discount rate of approximately 0.75% is considered to be fair to both the City and to the taxpayer.

The accelerated cash flow generated by the prepayment of realty, personal property and business taxes increases the City's short-term investment opportunities for the period January to June. The investment income earned from these early payments continues to exceed the tax discount given as well as the cost of administering the program.

The 2019 accelerated cash flow generated by the prepayments of realty, personal property and business taxes was:

2019 Prepayments	$2,058,237
Less: 2019 Actual Discount	6,135
Cost to administer	2,500
	$2,049,602

Using the 2019 actual prepayment information, with the City's 2020 expected short-term investment interest rate of 1.70%, the following represents the interest income that could be expected in 2020 from depositing the tax prepayments:

2020 Projected Investment Income from Prepayments

	Estimated Prepayments (Based on 2019)	# of months invested	2020 Projected Investment Income
January			
Realty and Personal Property Tax	$1,732,185	5	$12,270
Business Tax	50,611	4	288
February			
Realty and Personal Property Tax	275,441	4	1,561
Business Tax			
2020 Projected Gross Income	$2,058,237		$14,119
less: Discounts and administration costs			8,635
2020 Projected Net Income			**$5,484**

Note that the 2020 projected net income is $5,484. As in 2019, this program will be offered as a customer service initiative with full information on the Assessment and Taxation website. There will be one advertisement placed in the Winnipeg Free Press newspaper. Further, the 311 Customer Contact Centre will be prepared to handle phone calls on this program beginning in January 2020.

It is recommended that Council adopt a by-law to provide for prepayment discounts received by the Assessment and Taxation Department during the months of January and February 2020 at the following discount rates:

Realty & Personal Property Tax - payable at par up to June 30th	Face Value Discount Rate	Equivalent Annual Discount Rate
January	0.307%	0.75%
February	0.249%	0.75%
Business Tax – payable at par up to May 29th		
January	0.247%	0.75%
February	0.188%	0.75%

Additional Comments: Using the 2019 actual prepayment information, with the City's 2020 expected short-term investment interest rate of 1.70%, the interest income that could be expected in 2020 from depositing the tax prepayments is approximately $14,119. However, after applying the projected tax discounts and administrative costs, the projected net income is $5,484. Despite the low net income, this program will still proceed as a customer service initiative. Based on past experience, it is expected that 2,500 - 3,500 property owners will take advantage of the 2020 Prepayment Discount program. This program is included in the annual budget submission for the Assessment and Taxation Department.
