Item No. 4 List of Historical Resources – Nomination of Trees-Spriggs Building, 312 Ross Avenue (Point Douglas Ward)

STANDING COMMITTEE RECOMMENDATION:

On November 12, 2019, the Executive Policy Committee concurred in the recommendation of the Standing Policy Committee on Property and Development, Heritage and Downtown Development and submitted the following to Council:

1. That Trees-Spriggs Building, 312 Ross Avenue, be added to the List of Historical Resources with the following character defining elements:

    A. Exterior:

        i. The five-storey brick and stone structure, its main (north) facade facing Ross Avenue, its east and the lower portion of the west facades hidden by neighbouring buildings and its rear (south) facade facing a back lane.

        ii. The symmetrical main (north) facade with rusticated stone base rising to the ground floor windows, basement windows in rectilinear openings, two entrances in arched, rusticated stone openings with keystones, two large main floor windows in rectilinear openings, upper floors divided into four vertical bays, each holding a pair of matched windows in rectilinear openings with rusticated stone lug sills and heads and brick corbelling above the fifth floor windows of the middle bays and at the flat roofline.

        iii. The visible upper portion of the west facade with windows in arched openings.

        iv. The rear (south) facade with the east end built flush with the neighbouring building with paired windows in arched opening and stone sills on each floor and an open metal fire escape and the west end extending outward and featuring two raised loading doors in arched openings and windows in arched openings on all upper floors.

    B. Interior:

        i. Heavy timber structural system.
