REPORT SUMMARY

Key Issues:

Lot 2, Plan 19188, appears to have been reserved for a future lane but was never legally opened as such.

Lots 1 and 4, Plan 17778, form part of Robson Park.

The appropriate Departments have declared the aforementioned properties surplus. The City received an offer to purchase the subject properties from Darshan Thind and Kulvinder Singh for inclusion in their proposed subdivision.

The Director is not able to accept this Offer, as it is not within his delegated authority. The Planning, Property and Development Department is advising that negotiations have been completed and is recommending a sale of the subject property in accordance with established precedents. The Department is of the view that acceptance of the Offer would be in the City's best interest.

REASON FOR THE REPORT:

The Real Estate Division of the Planning, Property and Development Department has concluded negotiations for a proposed land exchange. The Standing Policy Committee on Property and Development is authorized to approve sales on behalf of the City.

HISTORY:

In April 2003, Mr. Kris Sidhu of Remax, acting on behalf Mr. D. Thind and Mr. K. Singh, applied to purchase Part Lot 2, Plan 19188, shown shaded and in broken outline on Misc. Plan No. 11886/2, for inclusion in a proposed subdivision. Mr. Sidhu again approached the City in May 2003, to purchase a portion of Robson Park, shown shaded on Misc. Plan No. 8618/3, also for inclusion within the said subdivision.

Particulars of the City properties are, in brief as follows:

1 Location: South side Robson Street, South of Stewin Avenue
Legal Description: Part Lots 1 and 4, Block 4, Plan 17778
Size: Irregular: 5,859 sq. m. (63,066 sq. ft.)
Zoning: "PR" Public Reserve
Roll No.: 09007132500
Certificates of Title: 1764156, 1764157
Appraised Value: $28,947.00

2 Location: West of Plessis Road, North of Dugald Road
Legal Description: Part Lot 2, Plan 19188
Size: Irregular: 763.7 sq. m. (8,220.3 sq. ft.)
Zoning: "R1-3.5" Single-family residential
Roll No.: 09007042000
Certificate of Title: 441284
Assessed Value: $4,060.00
Appraised Value: $3,773.00

Price Offered: $22,225.00 being the difference in value between the lands to be sold and the lands to be acquired
Applicant: Darshan Thind and Kulvinder Singh
11772 Fern Way, Delta, BC and 79 Manorview Close
Terms: $3,333.75 being 15% of the purchase price, deposited
Balance Due: 30 days from date of approval of the Offer by the City
Adjustments: Date of approval of the Offer by the City
Purpose: Inclusion in subdivision

The City provided the applicants with permission to include the City properties within their Subdivision No. DASZ 12/2003.

Particulars of Mr. Thind and Mr. Singh's properties to be acquired for future right-of-way:

Location:	West of Plessis Road, North of Dugald Road
Legal Description:	Part Lots 1 and 3, Plan 19188
Size:	Irregular: 2,133.5 sq. m. (22,865 sq. ft.)
Zoning:	"R1-3.5" Single family Residential
Roll No.:	09007041000
Certificates of Title:	1318296, 1730581
Appraised Value:	$10,495.00 ($20,000.00/acre)

The proposed sales were circularized to the various City Departments and Utilities. The City's Lot 2, Plan 19188, appears to have been reserved for a future lane but was never legally opened as such. The Public Works Department has declared that portion of Lot 2 shown shaded and in broken outline on Misc. Plan No. 11886/2 as being surplus to its future right-of-way requirements.

The Planning and Land Use Division has declared that Lots 1 and 4, Plan 17778, shown shaded on Misc. Plan No.8618/3 is surplus to its requirements. No objections were received, but Manitoba Hydro identified a requirement for an easement to protect its services in Lot 2 and the City will require an easement in the part Lots 1 and 4, Plan 17778, for a 500mm watermain.

DISCUSSION:

The Planning Property and Development Division is in favour of the land exchange for the following reasons:

1. The purchase price of $22,225.00 falls within the valuation range of the City's internal appraisal
2. The properties will be on the tax roll upon the closing of the sale.
3. The City will acquire the necessary property for the future widening of Plessis Road.
4. The Purchaser will pay the cost of the necessary subdivision of the lands, including any utility easement, as well as completing the servicing and installing the service road, which will be addressed within the subdivision.
5. The sale will eliminate the liability for the City associated with holding these parcels of vacant land.

The net sale proceeds of the subject sale will be credited to the Land Operating Reserve Account.

6. The Purchaser will accept Title to the lands subject to all exceptions, reservations and encumbrances expressed or implied in the City's Title.

The Purchaser agrees that in the event the Purchaser, at its sole cost, conducts or causes to be conducted an Environmental Site Assessment of the lands and it is determined as a result thereof that contamination levels exceed Provincial Environmental Standards for the intended use of the lands, and documentation to that effect is produced to the City within sixty (60) days following the Date of

Approval, but in any event, prior to closing, the City, at its sole option, shall be entitled to:

(1) take remedial action to bring the contamination levels within the Provincial Environmental Standards, or,

(2) cancel the sale and return all monies paid in respect of the proposed sale by the Purchaser to that date.

AND FURTHER, in the event the Purchaser fails to provide such documentation as aforesaid, the Purchaser hereby agrees to complete the purchase as herein contemplated and to indemnify and save harmless the City from and against any and all claims arising from or in any way attributable to the existence of contaminants of any kind whatsoever at, in, or upon the said lands.
