EXECUTIVE SUMMARY

On November 21, 2019, Council concurred in the recommendation of the Standing Policy Committee on Infrastructure Renewal and Public Works to close a portion of Air Force Way to comply with the Department of National Defence base security requirements.

The recommendation will result in a realignment of Air Force Way from Silver Avenue to Hangar Line Road which affects a portion of City-owned property currently leased to Assiniboine Golf Club Inc. (the "Club"). The existing Lease Agreement between the Club and the City of Winnipeg (the "City") requires an amendment to allow for the realignment of the Air Force Way.

The Club has no concerns with the proposed amendment and has signed the attached Proposed Lease Amending terms.

RECOMMENDATIONS

1. That, subject to approval of two-thirds of all Council members (pursuant to subsection 205(2) of The City of Winnipeg Charter), the Proposed Terms and Conditions for a Lease Amending Agreement, attached hereto as Schedule A, in favour of Assiniboine Golf Club, for the land at 2045 Ness Avenue (identified as "Leased Area: 58.7+acres on the attached Misc. Plan No. 8452/6"), be approved.

2. That the City enter into, execute and deliver a Lease Amending Agreement with the Assiniboine Golf Club and such other agreements as determined necessary by the City Solicitor/Director of Legal Services to implement the intent of the foregoing (the "Ancillary Agreements").

3. That the authority be delegated to the Chief Administrative Officer to negotiate and approve the final terms and conditions of the Lease Amending Agreement and the Ancillary Agreements, in accordance with this report and such other terms and conditions deemed necessary by the City Solicitor/Director of Legal Services to protect the interests of the City.

4. That the proper officers of the City be authorized to do all things necessary to complete the intent of the foregoing.

REASON FOR THE REPORT

In accordance with subsection 205(2) of The City of Winnipeg Charter, all dispositions of property used or acquired for park or cemetery purposes require approval of at least two-thirds of all members of Council. The Leased Area is considered to be park land based on its current "PR-2" zoning.

The Lease Amending Agreement forms part of a 25-year lease that commenced in 2001. Any lease greater than five years in length is considered to be a disposition of land.

IMPLICATIONS OF THE RECOMMENDATIONS

There are no financial, regulatory, environmental, human resource, or other implications associated with this report.

The proposed amending agreement will increase the Leased Area as outlined in Misc. Plan No. 8452/5 from 58.3± acres to 58.7± acres.

HISTORY/DISCUSSION

The Club has maintained a lease with the City of Winnipeg (the "City") since January 1, 1971, for the purpose of operating and managing a golf course at 2045 Ness Avenue, identified as "CITY LANDS USED BY ASSINIBOINE GOLF CLUB 23.58 ha ± (58.3 ac ±)" on Misc. Plan No 8452/5 (attached as Schedule B).

At its meeting held on December 11, 2001, the then Standing Policy Committee on Property and Development approved the terms and conditions of a new lease for the Club. The approved lease was negotiated to include a 25-year term at a rental rate of $1.00 per annum that will expire in 2025. Upon expiration of the current lease, the Public Service intends to negotiate a new lease to include rent greater than $1.00/annum.

The Department of Defence ("DND") has approached the City to close and realign a portion of Air Force Way ("AFW") to comply with DND base security requirements. The proposed road realignment of AFW will affect a portion of City-owned property currently leased to the Club.

On November 21, 2019, Council concurred in the recommendation of the Standing Policy Committee on Infrastructure Renewal and Public Works to close a portion of Air Force Way to comply with the Department of National Defence base security requirements.

In order to proceed with the proposed construction, the Public Service recommends the current lease with the tenant be amended to exclude the area required for the realignment.

Although the realignment will exclude a portion of the Leased Area, the proposed amendment will result in an increase of the area currently leased from 58.3± acres to 58.7± acres (as shown in Schedule C, attached). The increase in Leased Area is due to a re-measurement of the Leased Area.

The City and the Club have negotiated the amendments outlined in Schedule A to allow for a portion of the Leased Area to be used for the road alignment. The change in the Leased Area is the only material change to the original lease agreement.

The Ward Councillor has been consulted and is supportive of the proposed Lease Amendment.
