Agenda – Executive Policy Committee – March 10, 2020

Report – Standing Policy Committee on Infrastructure Renewal and Public Works – March 3, 2020

Moved by Councillor

That Rule 10(3) of The Procedure By-law No. 50/2007 be suspended in order that the following item, which was received less than four business days preceding the committee meeting, be considered by Committee.

Item No. 4 Local Improvements – Asphaltic Concrete Lane Pavement – North/South Lane West of Ferry Road between St. Matthews Avenue and Silver Avenue (St. James Ward)

STANDING COMMITTEE RECOMMENDATION:

On March 3, 2020, the Standing Policy Committee on Infrastructure Renewal and Public Works concurred in the recommendation of the Assiniboia Community Committee and submitted the following to Council:

1. That the following Local Improvement Project proceed as part of the Local Improvement Program which is funded 50/50 through the Local Improvement Program and the Public Works Granular Roads Capital account, namely:

Local Improvement	***Location***	***Petition For Result***
Asphaltic Concrete Lane Pavement 14' x 5"	On the first north/south lane west of Ferry Road between St. Matthews Avenue and Silver Avenue.	83.25%

2. That a by-law be enacted to authorize the proposed local improvement outlined in Recommendation 1 of this Report (draft by-law is attached as schedule 'A').

3. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

Agenda – Executive Policy Committee – March 10, 2020

Report – Standing Policy Committee on Infrastructure Renewal and Public Works – March 3, 2020

EXECUTIVE SUMMARY

This Administrative Report provides information regarding the local improvement advertisement and subsequent objections (if any) that have been returned to the City of Winnipeg by property owners.

This report addresses the proposed local improvement and communicates the results of the local improvement advertisement to the area Councilors. The petition for the local improvement project proposed by this report has not received sufficient objections to defeat the said local improvement project and therefore is considered by the Public Service to be successful.

The Public Service recommends that the proposed local improvement project proceed as part of the Local Improvement program in conjunction with the City of Winnipeg's pilot project for Asphalt Lane Pavement.

RECOMMENDATIONS

1. That the following Local Improvement Project **proceed** as part of the Local Improvement Program which is funded 50/50 through the Local Improvement Program and the Public Works Granular Roads Capital account, namely:

Local Improvement	***Location***	***Petition For Result***
Asphaltic Concrete Lane Pavement 14' x 5"	On the first north/south lane west of Ferry Road between St. Matthews Avenue and Silver Avenue.	83.25%

2. That City Council enact a by-law to authorize the proposed local improvement outlined in recommendation 1 of this Report (draft by-law is attached as schedule 'A').

3. That the proper officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

REASON FOR THE REPORT

Since these proposed Local Improvement Projects are within the Assiniboia Community and St. James - Brooklands Ward boundary, the Public Service requests that the Assiniboia Community Committee review the proposed local improvement projects and provide a recommendation to Council as to whether the said local improvement projects should proceed.

A by-law to authorize the proposed local improvement projects is required in order for the said local improvement projects to proceed, and only Council may enact a by-law.

IMPLICATIONS OF THE RECOMMENDATIONS

Budget for the proposed local improvements are within the local improvement capital budget and the Public Works Granular Road capital accounts.

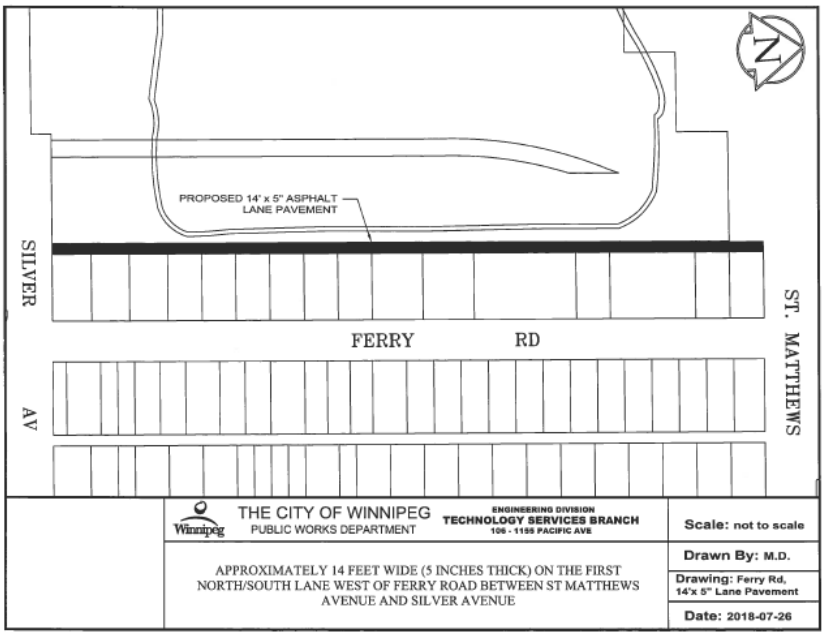

HISTORY/DISCUSSION

On July 19, 2018, City Council, adopted the recommendation that the Granular Lane Improvement program be extended for resident-initiated Local Improvements to pave granular lanes with asphaltic concrete based on a first come, first serve basis.

Council further directed that the current Local Improvement process be amended by extending the pilot project, adopted by Council on November 20, 2013, for an additional six years whereby the City of Winnipeg will finance asphalt local improvements to the maximum of 50% of the total costs for asphaltic concrete pavement and consistent with current practice, the City will finance the cost of land drainage sewer required to implement the Local Improvement, and that the $1,000,000 Granular Lane Improvement Program Fund (2018 Adopted Capital Budget 2-23) and the $500,000 Land Drainage Sewers fund (2018 Adopted Capital Budget 2-231) continue to be utilized as a funding source for the City's share of the amended Local Improvement Program.

Asphaltic Concrete Lane Pavement 14' x 5"
Approximately 14 feet wide (5 inches thick) on the first north/south lane west of Ferry Road between St. Matthews Avenue and Silver Avenue.

On April 16, 2019, a "Petition For" was issued to Captain A. Bhadauria who resides at 494 Ferry Road for a proposed Asphaltic Concrete Lane Pavement Local Improvement Project within the Assiniboia Community and St. James - Brooklands Ward boundary which is depicted in the following drawing:

A Filing Deadline of July 15, 2019 was determined for the *"Petition For"* form to be returned to the City Clerk's Department. (90 days after the first signature is dated on the *"Petition For" form)*

The City Clerk's Department received the signed *"Petition For"* form on July 11, 2019. As the petition was signed by the registered owners representing 83.25% of the total assessable frontage, it was recommended that this project proceed to be advertised.

On, November 5, 2019, the Assiniboia Community Committee concurred with the recommendation of the Winnipeg Public Service and authorized the advertisement of the proposed Asphaltic Concrete Lane Pavement Local Improvement Project.

On November 13, 2019, this proposed local improvement project was advertised in the Winnipeg Free Press newspaper.

Per Section 409 of The City of Winnipeg Charter, objections to the proposed local improvement must be filed at least 30 days after the notice is published. A deadline of December 13, 2019 was published for this proposed Local Improvement Project.

Subsequent to the advertisement, the Manager of Taxation and Finance confirmed that a "*Notice of Objection"* was not requested and there were no letters of objection received by the City Clerk's Department. Therefore, no objections were filed against this proposed local improvement project.

The Winnipeg Public Service recommends that this project **proceed** as part of the Local Improvement Program in conjunction with the City of Winnipeg's pilot project for Asphalt Lane Pavement. This project will be funded 50/50 through the Local Improvement Float and Public Work's Granular Roads Capital Account.

It is estimated that the total cost of the project is $450,000.00 of which 18.58% is to be recovered from the registered property owners' share.

Additional Comments:

1. The estimated construction cost for this local improvements (which excludes advertising fees) is $464,625, funded by the 2019 Local Improvement Program and the 2019 Local Street Program.
2. The costs to be recovered from the registered property owners is 18.58%. Note that this project has a local improvement term of 10 years and therefore the recoverable amount will be fully included on the property tax bills of the respective property owners in the year of tax imposition; expected to start in 2021. Recovery from property owners is $11,044 per year using the Local Improvement Financing Rates of 3.75% plus 1% administration fee. The Recovery from property owners beyond 2024 is $66,267.
2. Annual Debt & Finance Charges are calculated at 6.28% interest per annum over the term of each local improvement. The Debt & Finance charges beyond 2024 is $307,045.
3. Capital Cost of Proposed Projects includes 3.25% Corporate Finance Administration Charges and all applicable taxes.
