EXECUTIVE SUMMARY

The time limit for enactment by Council of the necessary rezoning by-law under DASZ 23/2017 will expire on January 25, 2020. The Developer has requested an extension of time in order to enact the rezoning by-law. The subject land was recently sold in 2019 and the new Owner wishes to continue with the original development proposal.

The Winnipeg Public Service has no objection to this request.

RECOMMENDATIONS

1. That the time limit to provide for the enactment of the necessary rezoning by-law under File No. DASZ 23/2017 be extended to January 25, 2021.
2. That the proper officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

REASON FOR THE REPORT

Council approval is required for an extension of time.

IMPLICATIONS OF THE RECOMMENDATIONS

If the Recommendation is concurred in, the Developer will be allowed a time extension to January 25, 2021, to enact the required rezoning by-law under DASZ 23/2017.

HISTORY/DISCUSSION

On January 25, 2018, Council adopted Item No. 2 of the Report of the Executive Policy Committee dated January 10, 2018 which recommended approval of a subdivision and rezoning to an “RMF-S” Residential Multi-Family (Small) District under Winnipeg Zoning By-Law 200/2006. See Appendix “A” map attached.

Recommendation 5 of the above-referenced report states:

"That in the event the application is not proceeded with expeditiously and the by-law is not enacted within two (2) years after adoption of the report by Council, the matter shall be deemed to be concluded and shall not be proceeded with unless an extension of time is applied for prior to the expiry of the two (2)-year period and the extension is subsequently approved by Council."

The necessary by-law has not been passed and the two (2) year period will expire on January 25, 2020.

On January 15, 2020, the Developer, Trademarks Properties Inc., Attention: Mr. Greg Grewal, 695 Osborne Street, Winnipeg, Manitoba, R3L 2N9 has submitted a request for a one (1) year extension of time in order to satisfy the necessary by-law enactment requirements and complete the necessary registrations at the Winnipeg Land Titles Office. See Appendix “B” attached.

The Winnipeg Public Service has reviewed this request for an extension of time and is of the opinion that approval of the subject extension of time would be acceptable as circumstances leading to the original approval remain unchanged.

OUR WINNIPEG POLICY ALIGNMENT

The site is located in the Areas of Stability – Mature Community policy area of *Complete Communities* of Our Winnipeg. The proposed development will add modest density to this Mature Neighbourhood in a context sensitive manner that is consistent with the direction established for Mature Communities. It is also complimentary to the ongoing development of the Fort Rouge Yards as a transit oriented neighbourhood which is consistent with the principles of Transit Oriented Development and also consistent with the policies for Major Redevelopment Sites as identified in the Complete Communities direction strategy.
