APPENDIX B — Promotion and Recognition

Appendix B is provided to ensure that TCT (national) and the Recipient (local) benefit as much as possible from the unique and valuable relationship we share.

TCT recognizes that the Recipient commonly engages in a variety of fundraising activities, in addition to receiving financial support from TCT.

The Recipient recognizes that TCT also fundraises for local Trail projects in their provincial/territorial jurisdiction, in addition to providing fundraising advice and limited support to recipients requiring assistance.

Guiding Principles

Collaboration: TCT and the Recipient recognize their shared responsibility to collaborate on achieving their goals and priorities, and are committed to a multi-sector approach.

Stewardship: The Recipient recognizes that donors have entrusted TCT to invest their support in order to ensure the greatest impact. The Recipient will work with TCT to meet their commitment to donors.

This appendix is a commitment by the Recipient to TCT. The contribution provided through this agreement has been supplied, in part, through donations to Trans Canada Trail and TCT is committed to recognizing these donors for their support.

Trans Canada Trail agrees to:

- (1) Give a contribution to the Recipient for the completion of the Project, as set out in this Agreement.
- (2) At its sole discretion, promote trail sections, funded programs and initiatives within the Province/Territory through a variety of channels, including but not limited to: TCT's website, social media channels, as well as campaign and promotional materials.
- (3) Consult and provide guidance with respect to fundraising, upon request (when feasible) to reduce donor confusion.
- (4) Ensure regular and timely communications with the Recipient on any matter that may affect their relationship with TCT or the terms of this Agreement.

The Recipient agrees to:

- (1) Promote TCT by acknowledging its contribution in communications and marketing materials, including adding the Trans Canada Trail and The Great Trail logos to the Recipient's website and including them in advertising, annual reports, newsletters and news releases.
- (2) Prepare or collaborate, as required, on the development of an event to acknowledge the project (i.e. announcement of contribution, trail opening, etc.) and provide a speaking opportunity for a TCT representative.

- (3) Portray TCT and The Great Trail positively in all verbal and written communication to the public.
- (4) Protect TCT's brand identity by following brand and logo usage guidelines.
- (5) Display signage that is provided, recognizing TCT Trail as a funder. This signage should be placed in a high-traffic area or at the construction site.
- (6) Collaborate with TCT throughout the term of this Agreement to support marketing and content materials such as blogs, newsletters and other engagement programs that help to demonstrate our work together in the Province/Territory.
- (7) Refrain from fundraising from national corporations who may have already given to TCT. TCT will, in turn, refrain from fundraising from local and provincial branches of similar national corporations. If there are questions about who these national corporate donors are, and/or if advice is required to coordinate a stronger approach to ensure success of your organization, please contact the VP, Resource Development at TCT.
- (8) Participate in donor recognition initiatives, such as thanking donors, when appropriate, thereby making a tangible connection between donations to TCT and improvements to The Great Trail.
- (9) Provide, for TCT's review, any publication, printed recognition, or signage featuring the TCT logo, prior to publication.
- (10) Notify TCT in advance of any public events related to the Project, and provide an opportunity for TCT representation and recognition at the event. Notification should be sent to TCT's VP, Communications and Marketing.

Demonstrating tangible recognition of local donors who have contributed to the success of the Project, including notifying TCT, will reflect positively on the Recipient and will be considered in future funding requests submitted to TCT.

TCT also encourages recipients to follow The Great Trail on social media and share its content when possible.
