INTER-OFFICE MEMORANDUM

TO:	**Marc Lemoine** City Clerk	**FROM:**	**Harold Dick** Legal Services
FILE:	F.3.15/2020(1)	**DATE:**	April 27, 2020

RE: Amendment to School Division Special Levies By-Law No. 28/2002

Enclosed please find a by-law amending the 2020 School Division Special Levies By-law 28/2020 which was enacted by Council on March 20, 2020.

This amendment is necessitated by a revision made by the Provincial-Municipal Assessor with respect to the Total School Assessment for that portion of the Interlake School Division that lies within the City of Winnipeg. Consequently, the levy requirements reported by the Interlake School Division to the City, and upon which the mill rate imposed by Council on March 20 was based, now requires a corresponding revision. This revision will result in a lower mill rate for the Interlake School Division compared to what was set out in the By-law enacted on March 20.

The City is required by section 188 of *The Public Schools Act* to fix and impose a tax sufficient to raise the amount that is apportioned to the City under the statement provided by the school board of each school division. Because Council is required by law to make this amendment to the By-law, Legal Services considers it appropriate to bring this to Council's agenda by way of a communication.

Please note that this amendment must be made by Council as soon as possible to ensure that the tax notices sent to taxpayers within the Interlake School Division are accurate.
