HISTORY/DISCUSSION

An Effectiveness Evaluation of the Winnipeg Police Board was endorsed by the Audit Committee in the City Auditor's Audit Plan 2019 Update. A formal evaluation of the Winnipeg Police Board's ("the Board") effectiveness is required every three years by the policies and procedures of the Manitoba Police Commission. The Board requested that the Audit Department conduct the evaluation in 2019.

The evaluation consisted of a survey that was completed by Board members and selected stakeholders, and a policy and procedures checklist that the Audit Department compared to supporting information provided by the Board. The evaluation identified areas where the Board is performing well and areas where the Board may want to focus for improvement.

We provided our report to the Secretary to the Board on March 25, 2020. The scheduled meeting of the Winnipeg Police Board on June 8, 2020 is the formal notice for the discussion of the evaluation report. The Audit Department presented the report and the findings to the Board on May 19, 2020.
