PETITION TO REMOVE ASSINIBOINE AVENUE IN WESTWOOD AS AN ACTIVE TRANSPORTATION ROUTE

June 25,2020

On 26 June 2020, there will be a vote before City Council's Executive Policy Committee to continue the Active Transportation Route partial closure of a number of streets in Winnipeg, including Assiniboine Avenue from Bedson Street to Westwood Drive.

We, the following residents of Assiniboine Avenue and the neighbourhood, request that Assiniboine Avenue, between Bedson and Westwood, be removed from the list of Active Transportation Routes in Winnipeg.

With the designation as an ATR there has been increased disregard for safety, and of the basic rules of the road by some of the cyclists and pedestrians who are using Assiniboine which creates a hazard for vehicles as well.
