RE: 2004 SCHOOL DIVISION LEVIES AND MILL RATES

FOR SUBMISSION TO: EXECUTIVE POLICY COMMITTEE

ORIGINAL REPORT SIGNED BY: CHIEF FINANCIAL OFFICER

REPORT DATE: March 17, 2004

RECOMMENDATION(S):

That in compliance with the mandatory provisions of *The Public Schools Act*, Council adopt a by-law required to fix and impose taxes sufficient to meet that portion of the cost of education required to be raised through the Special Levy on assessable property within the City of Winnipeg in 2004.

REPORT SUMMARY

Key Issue(s):

The **Education Support Levy** represents an amount the Province of Manitoba collects for educational purposes province-wide. The **Special Levy** represents the various school divisions' additional requirements or portions of their costs that do not qualify for provincial assistance under the province-wide Education Support Levy.

School divisions are required to submit their respective budgets to the City of Winnipeg on, or before, March 15th each year. The Province of Manitoba is required to set its requirements for the Education Support Levy on, or before, April 15th.

This report addresses the school division requirements for the Special Levy only. The Education Support Levy requirements will be addressed in a separate report to be considered by Council on April 21, 2004.

The City's eight school divisions' 2004 Special Levy requirements total $332,055,276, an increase of $19,630,071 or 6.3% over the 2003 requirement. This increase in Special Levy requirements ranges from a 4.0% increase in the Seine River School Division to an 8.1% increase in the River East Transcona School Division.

The change in the school divisions' Special Levy requirements, coupled with the change in their respective portioned assessments subject to this levy, has resulted in mill rate

increases ranging from a 3.8% increase in the Seine River School Division to an 8.0% increase in the River East Transcona School Division.

The 2004 tax impact for a home assessed at $100,000, ranges from a $40.46 increase in the Seine River School Division to a $86.40 increase in the River East Transcona School Division.

A complete analysis of the combined Education Support Levy and Special Levy for education purposes for the City of Winnipeg cannot be completed until the Provincial Education Support Levy requirements are known. This will be provided to Council with the Education Support Levy report on April 21, 2004.

Section 184 of *The Public Schools Act* requires Council of the City of Winnipeg to fix and impose an Education Support Levy. Section 188 similarly requires the fixing and imposition of an Education Special Levy.

HISTORY:

The attached Schedules "A" to "C" are pertinent to the subject by-law and include information in comparison with that for prior years.

DISCUSSION:

*The **Education Support Levy** represents an amount the Province of Manitoba collects for educational purposes province-wide. The **Special Levy** represents the various school divisions' additional requirements or portions of their costs that do not qualify for provincial assistance under the province-wide Education Support Levy. In accordance with legislation, Council is required to annually collect and remit the City's share of these two levies to the Province and the school divisions respectively.*

This report addresses the school division requirements for the Special Levy only. The Education Support Levy requirements will be addressed in a separate report to be considered by Council on April 21, 2004. It should be noted that for comparison purposes the combined cumulative effect of taxation for educational purposes in the City of Winnipeg will not be known until that time.

Special Levy (School Division Requirements only)

- **The City's eight school divisions' 2004 Special Levy requirements total $332,055,276, an increase of $19,630,071 or 6.3% over the 2003 requirement. This increase in Special Levy requirements ranges from a 4.0% increase in the Seine River School Division to an 8.1% increase in the River East Transcona School Division (see Schedule "A").**

- The change in the school divisions' Special Levy requirement, coupled with the change in their respective portioned assessment subject to this levy, has resulted in mill rate increases ranging from a 3.8% increase in the Seine River School Division to an 8.0% increase in the River East Transcona School Division. (see Schedule "A").

- The 2004 tax impact for a home assessed at $100,000, ranges from a $40.46 increase in the Seine River School Division to a $86.40 increase in the River East Transcona School Division. (see Schedule "C").

Financial Impact Statement **Date:** March 17, 2004

COMMENTS: There is no financial impact as the establishing of the school mill rates is revenue neutral to the City of Winnipeg.
