EXECUTIVE SUMMARY

On June 8, 2018, the Public Service issued a Request for Proposal ("RFP") to purchase the Subject City Property (attached as Schedule B) located at 180 Market Avenue, commonly known as the Pantages Playhouse Theatre.

On March 21, 2019, Council concurred in the recommendation of the Public Service to approve the sale of the Subject City Property to Alex Boersma and Lars Nicholson (the "Proponent"), subject to conditions, including the following:

A. The Proponent to grant an easement to the City for use of the northerly corner of the Subject City Property for installation and maintenance of an art installation.

It has been determined that the above noted easement does not meet the requirements necessary for registration at the Winnipeg Land Titles Office, and therefore cannot be completed.

The Public Service has negotiated with the Proponent to retain the northerly section of the City Owned Property containing the art installation and recommends that the March 21, 2019 Council Recommendations be rescinded and replaced with new Recommendations to reflect this change.

RECOMMENDATIONS

1. That Recommendation Nos. 1, 2, 3 and 4 in the report titled "Sale of City-owned property located at 180 Market Avenue, commonly known as the Pantages Theatre", adopted by Council on March 21, 2019, be rescinded.

2. That subject to the approval of Recommendation No. 1, the City-owned property located at 180 Market Avenue, identified as "Subject City Property" on the attached Misc. Plan No. 13916/4 (Schedule A), be declared as surplus to the needs of the City.

3. That subject to the approval of Recommendations Nos. 1 and 2, the sale of the Subject City Property to Alex Boersma and Lars Nicholson, or a nominee approved by the Chief Administrative Officer (the "Proponent"), for the purchase price of $530,000.00, be approved.

4. That the City enter into, execute and deliver an Offer to Purchase and an Amending Agreement with the Proponent, and such other agreements as determined necessary by the City Solicitor / Director of Legal Services to implement the intent of the foregoing (the "Ancillary Agreements").

5. That authority be delegated to the Chief Administrative Officer to negotiate and approve the terms and conditions of the Offer to Purchase, the Amending Agreement and the Ancillary Agreements, in accordance with this report and such other terms and conditions deemed necessary by the City Solicitor / Director of Legal Services to protect the interests of the City.

6. That the proper officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

REASON FOR THE REPORT

Council approval is required to amend a previous Council decision.

IMPLICATIONS OF THE RECOMMENDATIONS

A subdivision of the City-owned property, identified on Misc. Plan 13916/4 (attached as Schedule A), is required to create the Subject City Property. The remnant City-owned property will be retained by the City to permit the maintenance of the public art installation known as Bloody Sunday. The Proponent will facilitate the subdivision at their sole expense as a condition of the proposed sale.

An amendment agreement is required to alter the sale conditions contained within the Offer to Purchase.

Should the recommendations contained in this report not be approved, the sale of the Subject City Property cannot proceed inasmuch as the requirement for an easement cannot be resolved.

HISTORY/DISCUSSION

The Subject City Property, commonly known as the Pantages Playhouse Theatre (the "Theatre"), was constructed in 1913/1914. The Theatre was acquired by the City of Winnipeg through tax sale on July 31, 1944.

The Theatre was added to the List of Historical Resources under Municipal By-law 55/2014 on January 5, 1981. It is listed as a Manitoba Provincial Heritage Site under The Heritage Resources Act and a National Historic Site under the Historic Sites and Monuments Act.

On June 8, 2018, the Public Service issued a Request for Proposal ("RFP") to purchase the Subject City Property (attached as Schedule B).

On March 21, 2019, Council concurred in the recommendations of the Standing Policy Committee on Property and Development, Heritage and Downtown Development and adopted the following:

1. That the City-owned property located at 180 Market Avenue, identified as "Subject City Property" on the attached Misc. Plan No. 13916, be declared surplus to the needs of the City.

2. That subject to the approval of Recommendation No. 1, the sale of the Subject City Property to Alex Boersma and Lars Nicholson, or a nominee approved by the Chief Administrative Officer (the "Proponent"), for the purchase price of $530,000.00, be approved subject to the following conditions:

A. The Proponent to grant an easement for the City for use of the northerly corner of the Subject City Property for installation and maintenance of an art installation.

3. That the City enter into, execute and deliver an Offer to Purchase and an Easement Agreement with the Proponent, and such other agreements as determined necessary by the City Solicitor / Director of Legal Services to implement the intent of the foregoing (the "Ancillary Agreements").

4. That authority be delegated to the Chief Administrative Officer to negotiate and approve the terms and conditions of the Offer to Purchase, the Easement Agreement and the Ancillary Agreements, in accordance with this report and such other terms and conditions deemed necessary by the City Solicitor / Director of Legal Services to protect the interests of the City.

5. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

It has been determined that the proposed easement, a condition of the sale referenced in Recommendation No. 2 (A), does not meet the requirements for registration at the Winnipeg Land Titles Office and therefore cannot be completed.

As an alternative to the easement, the Public Service and the Proponent have agreed to subdivide the Subject City Property, wherein the City will retain ownership of the public art installation, known as Bloody Sunday.

In order to provide clarity to decision makers, the Public Service recommends that the previous Council decision from March 21, 2019 be rescinded and replaced with a new set of recommendations. The new recommendations are largely similar to those previously approved by Council but the reference to an easement is eliminated and the amount of land to be declared surplus and sold is reduced. The alteration of the boundaries of the surplus land will necessitate the subdivision of land on which the public art installation is located; the proponent has confirmed that they will undertake the subdivision at their sole cost and effort as a condition of the sale and prior to the closing of the transaction.

The Proponent has satisfied or waived all of the conditions within the Offer to Purchase Agreement with the exception of the aforementioned easement requirement. The Proponent has indicated that they have the financial capacity to follow through with the transaction and would like to conclude the sale following the resolution of the easement requirement.
