EXECUTIVE SUMMARY

The Chief Administrative Officer is required to report annually to Council on:

- Single source assignment of consultant services – Appendix A
- Single source assignments for goods and services exceeding \$100,000 (not including consultants) – Appendix B

Council, Executive Policy Committee, and the Public Service have certain authorities for approving single source transactions under very strict guidelines. The guidelines are included in the City of Winnipeg's Materials Management Policy and apply to all procurement under the Policy.

On September 12, 2018, Executive Policy Committee directed that, commencing with the 2018 annual report on single source assignments, the Winnipeg Public Service provide a chart that lists the total amount of contracts awards per vendor and the total value of those contracts.

The Report is based on payments/awards during the period of January 1, 2019 to December 31, 2019 and includes:

Appendix A: payments on single source consultant assignments, vendor names, amount of contracts per vendor and the total value of the payments.

Appendix B: awards of single source (non-consultant) contracts, exceeding \$100,000, vendor names, amount of contracts per vendor and the total value of awards.

This Report includes all City Departments.

RECOMMENDATIONS

1. That this Report, including Appendices, be received as information.

REASON FOR THE REPORT

On March 24, 2004, Council adopted Item 1 of the Report of Executive Policy Committee, dated March 10, 2004, delegating certain authorities from the Materials Management Policy to the Chief Administrative Officer. Under Administrative Standard FM-002, issued pursuant to the Materials Management Policy, the Chief Administrative Officer is required to report annually to Council on the assignment of consultants.

In March 2016, the Public Service was requested to report on the use of single source authority, exceeding \$100,000, on an annual basis.

IMPLICATIONS OF THE RECOMMENDATIONS

There are no implications to receiving this report as information.

HISTORY/DISCUSSION

The Report contains single source procurements approved by:

- Council
- Executive Policy Committee (EPC)
- Public Service

Council, EPC and the Public Service have certain authorities for approving single source transactions under very strict guidelines. The guidelines are included in section B4 of the City of Winnipeg's (City) Materials Management Policy (the Policy) and apply to all procurement under the Policy.

The City is subject to various trade agreements that set thresholds for goods and services requiring public solicitation, the most restrictive being:

- \$75,000 for goods and services (including consultants, not including construction)
- \$200,000 for construction

Generally, solicitations beyond the above dollar thresholds require public solicitation.

Attached to this report are Appendices which include the requested detail on single source assignments for consultant and goods and services contracts. The following is a summary of totals for each appendix:

APPENDIX A - Consultant Assignments	\$ 4,350,636.09
APPENDIX B - Goods and Services	\$22,526,741.45

Note:

The City's Materials Management website publishes all tenders issued for goods and services, including approximately \$36 million in publicly-tendered Consultant contracts annually.

APPENDIX A - CONSULTANT ASSIGNMENTS

Appendix A includes all payments on single source consultant assignments, vendor names, the amount of contracts per vendor and the total value of payments based on the period of January 1, 2019 to December 31, 2019.

Consultant services are services provided directly to the City, as defined in Administrative Standard FM-002.

Where the Chief Administrative Officer approves a single source assignment, pursuant to B4.1 (j) (emergency) (not to exceed \$5 million), such approvals shall be reported at least annually.

All over-expenditures on single source assignments are approved by the Chief Financial Officer. In no cases are over-expenditures approved without funds being available in an approved budget.

Consultant services are either posted to the City's Materials Management website as a Request for Proposal or they are disclosed on this single source report.

This Report includes all City Departments. The Mayor and Council consultant expenditures are reported together with all expenditures on a monthly basis on the City's website and, as such, are not repeated in this Report.

APPENDIX B - SINGLE SOURCE ASSIGNMENTS *(not including Consultant Services)*

In March 2016, the Public Service was requested to provide EPC with a report on the use of single source authority, on an annual basis.

Appendix B includes all single source awards exceeding \$100,000, vendor names, amount of contract awards per vendor and the total value of awards based on the period of January 1, 2019 to December 31, 2019.
