Dear Ms. Skundberg:

REZONING
498 Ottawa Avenue
East Kildonan - Transcona Community Committee
File No. DAZ 204/04

An application has been received from Barry Wilder Maxwell, to amend By-Law No. 6400/94 by rezoning the land shown below from a " C1" Commercial District to a "RM-L" Residential District to allow for the establishment of a multiple family dwelling in the existing building.

RELATED FILES: DAZ 299/80; ZAA 36/85; DAV 04-110966/D

SITE DESCRIPTION:

Site Area: 8976.437 square feet (833.9 square metres)

Existing Land Use and Zoning: Two storey building occupied by a commercial (office) user. Zoned "C1" Commercial. An asphalt parking lot is on the south side of the lot with chain link fencing and one-board light barrier fence separating the property from the adjacent public lane. Access to the lot is from Watt Street.

Surrounding Land Use and Zoning:

North: Across Ottawa Avenue, single family residential zoned "R1-3".
South: Across Public Lane, single family dwellings zoned "R1-3" and commercial buildings zoned "C1" along Watt Street.
East: Across Watt Street, single family residential zoned "R1-3".
West: Across Hydro Right-of-Way, single family residential zoned "R1-3".

DEVELOPMENT DESCRIPTION:

The applicant intends to convert the existing two story building into a multiple family residential dwelling. Each floor will be a separate unit of 792 square feet, with two bedrooms. The basement may be converted into a one bedroom suite. The applicant may construct a garage in the rear of the lot.

PLAN WINNIPEG:

The proposal is in conformity with Plan Winning since the subject property is located in a Neighbourhood Policy Area. And, Plan Winnipeg encourages the establishment of mixed uses and increased residential densities within these areas.

ADMINISTRATIVE COMMENTS:

The land was formerly occupied by a one-storey single family dwelling and zoned "R1" under Zoning By-Law No. 145. A previous owner renovated the building by adding the second storey and applying a tyndal stone finish to the exterior. The land was subsequently rezoned to "C1" to permit the establishment of a clothing shop and shoe store (DAZ 299/80). A zoning agreement was attached to limit the type of commercial uses to seven (7) specific low intensity commercial uses, which would be compatible with the surrounding neighbourhood. The zoning agreement was later expanded to allow a Lithograph Shop (ZAA 36/85). Multiple Family uses are permitted in "C1", however, due to the Zoning Agreement, the applicant was advised to rezone the property instead of amending the application to allow residential. This zoning agreement can also be withdrawn.

The Planning and Land-Use Division is recommending approval of the subject application. Watt street is zoned commercial between Ottawa and Chalmers, and is developed with a mixture of uses that include residential and commercial uses. The subject property is irregular-shaped and that has 100 ft frontage on Watt but a depth that varies along Ottawa. The public lane, hydro lines, Ottawa and Watt street tend to isolate this lot. Subsequently, a low intensity commercial or residential land-use is compatible with the surrounding area.

RECOMMENDATION:

I. That By-law 6400/94 be amended by rezoning the subject land as shown on Schedule "A", for file DAZ 204/04, attached hereto and dated, February 18, 2004 to a "RM-L" Residential District.

II. That, in the event this application is not proceeded with expeditiously and the by-law is not enacted within twenty-four (24) months after adoption of this report by Council, the matter shall be deemed to be concluded and shall not be proceeded with unless an extension of this time is applied for prior to the expiry of this twenty four (24) month period **and the extension is subsequently approved by Council**.

III. That, a 10 per cent dedication be made by a payment of a sum of money to the City in lieu of the requirement for land dedication based on the increase in the market value of the land.

IV. That, the City Solicitor be requested to prepare the necessary rezoning by-law and forward same to Council for all three readings.

V. That, Caveat 82-26698 be withdrawn.

VI. That, the Proper Officers of the City are hereby authorized to execute said Zoning Agreement.

VII. That, the City Solicitor be requested to do all things necessary for implementation in accordance with the terms of The City of Winnipeg Charter Act.

Final

Yours truly,

C. Knoll
