EXECUTIVE SUMMARY

On October 22, 1997, Council approved the terms and conditions for a lease agreement (the “Master Lease Agreement”) between the City of Winnipeg (the “City”) and Riverside Park Management Inc. (“Riverside”) for City-owned property located at 1 Portage Avenue East, for the purpose of constructing a multi-purpose sports and recreational facility, commonly known as Shaw Park.

The current Master Lease Agreement will expire on July 27, 2023.

Riverside would like to make capital improvements to the facility and has indicated that, in order to obtain financing, they will require an extension to the term of the Master Lease Agreement or a new lease agreement.

As there are no further extensions available in the Master Lease Agreement, the City and Riverside have been negotiating the proposed terms and conditions for a new lease.

On October 28, 2019, the Standing Policy Committee on Property and Development, Heritage and Downtown Development (the “Committee”) directed the Public Service to continue negotiations and report back within 120 days with the terms and conditions for a new lease which considers the following:

1. A rental fee of \$10,000 per month for the building while it is being used for sports (5 months);
2. Splitting the parking revenue so that the City gains at least 10%;
3. Waiving the City of Winnipeg Sponsorship Policy as part of this Lease;
4. Entertainment tax rebates until the termination of the True North Agreement;

5. An Amateur Access Agreement that could allow for the granting back of entertainment taxes and the waiver of municipal taxes.

The Public Service has continued negotiations with Riverside and recommends that the terms and conditions for a Proposed New Lease contained herein be approved. Riverside is in agreement with all of the proposed terms and conditions with the exception of the provisions for the extension option and termination.

A list of historical and future subsidies is included in the appendix of this report.

RECOMMENDATIONS

1. That the proposed Terms and Conditions (attached hereto as Schedule A) for a lease agreement in favour of Winnipeg Goldeyes Baseball Club Inc. for the City-owned property located at or near 1 Portage Avenue E, as shown on Misc. Plan No. 11140/11 (attached herein as Schedule B), be approved.
2. That, subject to the approval of Recommendation 1, the City of Winnipeg Sponsorship Policy (attached herein as Schedule E) be waived as a requirement for the Proposed New Lease.
3. That, subject to the approval of Recommendation 1, a grant be provided to the Winnipeg Goldeyes Baseball Club Inc. equal to the entertainment tax remitted to the City of Winnipeg each year, until the expiration of the TN Arena Limited Partnership Community Use and Access Agreement on November 14, 2029 and such grant shall be established in accordance with the intent of the existing Amateur Access Agreement (attached as Schedule F).
4. That, subject to approval of Recommendation 1, a grant be provided to the Winnipeg Goldeyes Baseball Club Inc. equal to the municipal portion of real property taxes paid on land which relates to the presentation of baseball games (i.e. the ballpark parcel itself) until the expiration of the TN Arena Limited Partnership Community Use and Access Agreement on November 14, 2029 and such grant shall be established in accordance with the intent of the existing Amateur Access Agreement (attached as Schedule F).
5. That the City enter into, execute and deliver a lease agreement with Winnipeg Goldeyes Baseball Club Inc. and such other agreements as determined necessary by the City Solicitor / Director of Legal Services to implement the intent of the foregoing (the "Ancillary Agreements").
6. That authority be delegated to the Chief Administrative Officer to negotiate and approve the final terms and conditions of the lease agreement and the Ancillary Agreements, in accordance with this report and such other terms and conditions deemed necessary by the City Solicitor / Director of Legal Services to protect the interests of the City.

7. That the proper officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

REASON FOR THE REPORT

On October 28, 2019, the Standing Policy Committee on Property and Development, Heritage and Downtown Development directed the Public Service to continue negotiations and report back with terms and conditions for a new lease which considered five specific points.

The Public Service met with Riverside to continue negotiations and subsequently revised the terms and conditions of the Proposed New Lease agreement taking into consideration new information contained in a recent external appraisal report and the five points provided by the Committee.

Council approval is required to waive the City of Winnipeg Sponsorship Policy (attached as Schedule E) and approve monetary grants.

IMPLICATIONS OF THE RECOMMENDATIONS

There are no regulatory, environmental, operational, human resources or other implications associated with this report.

The Proposed New Lease is for an initial term of fifteen (15) years with an option to extend for a further two (2) five (5) year terms. The extension options will exclude the City-owned parking facility located at 41 Westbrook Avenue without further approval by the City.

The Proposed New Lease includes a provision that the City may amend the boundaries of 41 Westbrook Street during the term should a portion of the Subject Property be required for transit infrastructure purposes.

The Winnipeg Goldeyes Baseball Club Inc. ("Tenant") will be responsible for all costs associated with the operation, repairs and maintenance of the Subject Property.

The Tenant will receive a grant equal to the entertainment tax remitted to the City of Winnipeg each year, until the expiration of the TN Arena Limited Partnership Community Use and Access Agreement on November 14, 2029.

The Tenant will receive a waiver of the municipal portion of real property taxes paid each year on land which relates to the presentation of baseball games (i.e.: the ballpark parcel itself) until the expiration of the TN Arena Limited Partnership Community Use and Access Agreement on November 14, 2029.

It is noted that the 2020 to 2023 multi-year budget includes a reduction to the entertainment tax funding and municipal taxes rebated to the Tenant in 2023. Extending the term of the aforementioned rebates into the new lease will have a budget impact in 2023.

HISTORY/DISCUSSION

On October 22, 1997, Council approved the terms and conditions for a lease agreement (the “Master Lease Agreement”) between the City of Winnipeg (the “City”) and Riverside Park Management Inc. (“Riverside”) for City-owned property located at 1 Portage Avenue East, for the purpose of constructing a multi-purpose sports and recreational facility, commonly known as Shaw Park.

The Master Lease Agreement has a commencement date of July 28, 1998, is for a term of twenty-five years (expiring on July 27, 2023) and does not include a provision for extension or renewal. The Shaw Park site was leased to Riverside for a rate of \$1.00 per annum.

Ownership of the improvements upon the City-owned leased land (i.e.: the ballpark facility) revert to the City upon expiration of the Master Lease Agreement.

Riverside would like to make capital improvements to the facility and has indicated that, in order to obtain financing, they will require a new lease agreement.

Since receiving this request, Riverside and the City have been negotiating in an effort to achieve terms and conditions for a new lease agreement.

On October 28, 2019, the Standing Policy Committee on Property and Development, Heritage and Downtown Development (the “Committee”) directed the Public Service to continue negotiations and report back with terms and conditions for a new lease which considered five specific points:

1. A rental fee of \$10,000 per month for the building while it is being used for sports (5 months);
2. Splitting the parking revenue so that the City gains at least 10%;
3. Waiving the City of Winnipeg Sponsorship Policy as part of this lease;
4. Entertainment tax rebates until the termination of the True North Agreement;
5. An Amateur Access Agreement that could allow for the granting back of entertainment taxes and the waiver of municipal taxes.

The Committee direction coincided with the receipt of a new external appraisal, which was prepared for the City and delivered in November 2019. The appraisal included a highest and best mixed use based on the location, size, configuration and zoning.

The appraiser researched other ball park stadium lease arrangements across Canada and the United States, while also meeting with Riverside to collect pertinent information related to the

current site and leasing details. Based on this information, the appraisal suggested two scenarios for a lease agreement:

Scenario 1	Scenario 2
<ul style="list-style-type: none"> - base rental amount of \$125,000 - 4% of gross annual revenues exceeding \$1.5 million (any and all forms of revenue generated from the site, including commercial tenancies) - 5% of annual rent in administration / management fees. 	<ul style="list-style-type: none"> - no base annual rental amount - 5% of all gross annual revenues (any and all forms of revenue generated from the site, including commercial tenancies) - 5% of annual rent in administration / management fees.

In both scenarios, the appraiser has determined that the Tenant should be exempt from all taxes as is common practice for comparable facilities.

In order to reduce lease administration, revenue disputes and manage business volatility, the Public Service recommends static base rent (with rental escalations) plus taxes. The rent in Schedule A slightly exceeds the projected figure included in the appraisal and the proposed rental escalations allow for future revenue growth.

The Public Service recommendation does not directly align with the previous consideration from the Committee wherein a \$50,000 base rent per annum was suggested plus 10% parking revenue. The Committee's previous suggestion would likely yield a greater income over the first part of the lease, whereas the Public Service recommendation would yield a greater income over the latter portion of the lease. For the same reasons as noted above, a static rent is preferred.

The proposed terms and conditions are attached as Schedule A (the "Proposed New Lease") and Misc. Plan No. 11140/11 which shows the proposed lease area (the "Subject Property") is attached as Schedule B.

The Tenant has indicated that they are in agreement with the Proposed New Lease, with the exception of the provisions for the extension option and the termination provisions.

The City has proposed two (2) x five (5) year options to extend the agreement beyond the initial term. These extension options would be subject to a review of the rent and other fees being collected by the City. The Tenant does not agree with this section of the Proposed New Lease and would prefer the inclusion of a provision to proceed to arbitration for the extension options, if necessary.

Furthermore, the extension options will exclude the City-owned parking facility located at 41 Westbrook Avenue without further approval by Council. The Tenant is not agreeable to this section and has requested that the City-owned parking facility located at 41 Westbrook Avenue be included in all extension options.

The City's Urban Planning & Design Division has advised that downtown surface parking lots should be redeveloped into a higher and better use based on direct initiatives within OurWinnipeg and the Downtown Parking Strategy. As such, re-evaluation of this City-owned

parking facility at 41 Westbrook Avenue is recommended at the end of the initial term and prior to being considered for inclusion in the lease extension options.

Furthermore, the City's Transit Department has suggested that there may be a requirement in the future for the 41 Westbrook Avenue parking facility as part of the Winnipeg Transit Master Plan. The Proposed New Lease includes a provision that the City may amend the boundaries of the leased area during the duration of the term should a portion of 41 Westbrook Street be required for transit infrastructure purposes. The Tenant does not agree with this provision.

A chart outlining the terms and conditions of the Proposed New Lease that Riverside agrees/does not agree with is attached as Schedule C.

The Public Service recommends approval of the proposed terms and conditions as written and outlined in Schedule A, contrary to the Tenant's objections. If the proposed terms and conditions are approved by the Committee and accepted by the Tenant, it is anticipated that the lease agreement would be completed by June 2020.

The individual sections of the Proposed New Lease are discussed in more detail within the next segment of this report.

Proposed New Lease – Terms and Conditions:

Owner / Landlord:	The City of Winnipeg is the owner of the land and structures that are proposed to be leased to the Tenant. Both parties agree.
Tenant:	The original Master Lease Agreement was between the City of Winnipeg and Riverside Management Inc. ("Riverside"). Riverside is a registered non-profit organization, which was set up to manage the property matters associated with the ballpark. At the commencement of the Master Lease Agreement on July 28, 1998, the Master Lease Agreement was sub-leased to Winnipeg Goldeyes Baseball Club Inc. ("Goldeyes"). The Goldeyes are a registered for-profit share corporation in Manitoba. It has been determined that this type of sub-lease arrangement may limit the City's ability to enforce and monitor all aspects of the lease agreement. It is recommended that the City enter into the Proposed New Lease directly with the actual operator / tenant of the facility being the Goldeyes ("Tenant"). Both parties agree.
Location / Leased Area	<p>The City has proposed minor amendments to the area to be leased to the Tenant as shown on Misc. Plan No. 11140/11, attached hereto as Schedule B (the "Subject Property").</p> <p>These minor amendments are not considered significant in nature, and the proposed lease will include substantially the same areas as the original Master Lease Agreement.</p>

It is proposed however, that the City-owned parking facility located at 41 Westbrook Street will not be included in any extension options beyond the Initial Term without further approval at the sole discretion of the City. **The Tenant does not agree with this.**

- Primary Use: The Subject Property is intended for the use of operating a multi-purpose sports and recreational facility. Both parties agree.
- Initial Term: The City has proposed that the Initial Term of the Proposed New Lease will be for a period of fifteen (15) years. This falls within the range of comparable sporting facilities in other jurisdictions. Both parties agree.
- Extension Option: The City has proposed two (2) x five (5) year options to extend this agreement beyond the Initial Term. These extension options would be subject to a review of the rent and other fees being collected by the City. **The Tenant does not agree with this section and would seek the option to proceed to arbitration, if necessary.**
- The extension options will exclude the City-owned parking facility located at 41 Westbrook Avenue without further approval by the City. **The Tenant is not agreeable to this section and has requested that the City-owned parking facility located at 41 Westbrook Avenue be included in all extension options.**
- Rental Fee: The City has proposed a base Rental Fee of \$75,000.00 per annum (Years 1 – 5), \$85,000.00 per annum (Years 6 – 10), and \$95,000.00 per annum (Years 11 – 15). Both parties agree.
- A chart showing a summary of the annual Rental Fee and taxes has been included and attached as Schedule D.
- Net Lease: The City has proposed that the Tenant will pay all costs and expenses of every nature relating to the Subject Property and that the City shall not be responsible for any costs for the duration of the Proposed New Lease. This is materially consistent with the current terms under the Master Lease Agreement. Both parties agree.

Taxes, Licenses and Other Fees:	<p>The City has proposed that the existing Amateur Access Agreement will remain in effect until the expiration of the TN Arena Limited Partnership Community Use and Access Agreement on November 14, 2029. This will result in the following municipal and entertainment tax implications:</p> <ol style="list-style-type: none">1) The Tenant will receive a grant of the municipal portion of real property taxes paid each year on land which relates to the presentation of baseball games (i.e.: the ballpark parcel itself). This grant amounts to approximately \$43,100.00 (2019).2) The Tenant will receive a grant equal to the entertainment tax remitted to the City of Winnipeg each year. This grant amounts to approximately \$325,000.00 (2019). <p>Both parties agree.</p>
Insurance:	<p>The City has proposed that the Tenant will provide and maintain standard insurance coverages during the duration of the Proposed New Lease. Both parties agree.</p>
Cancellation & Termination:	<p>The City has proposed that the Proposed New Lease may be terminated if the Winnipeg Goldeyes or a comparable baseball team ceases to occupy the Subject Property on a continuing basis for three (3) consecutive baseball seasons. Furthermore, the City may terminate the agreement if the Tenant is in default under the terms of the Proposed New Lease. Both parties agree.</p> <p>The City has proposed that the Proposed New Lease may be amended should any part or portion of 41 Westbrook Street be required for transit infrastructure purposes. The Tenant is not agreeable to this section.</p>
Tenant Improvements:	<p>The City has proposed that any / all improvements to the Subject Property will be completed at the Tenant's sole cost and expense. Both parties agree.</p>
Development, Repairs and Maintenance:	<p>The City has proposed that any / all development, repairs and maintenance to the Subject Property will be completed at the Tenant's sole cost and expense. Both parties agree.</p>
Advertising / Signage:	<p>The City has proposed that the Tenant may erect Advertising within the Subject Property, subject to certain restrictions (i.e.: no firearm, illicit drug ads, etc.). Both parties agree.</p>
Sponsorship / Naming Rights:	<p>The City has proposed that the Tenant be permitted to enter into sponsorship opportunities, subject to Council waiving the City of Winnipeg Sponsorship Policy. Both parties agree.</p>

Assignment or Sub-let: The City has proposed that the Tenant may not assign or sublet the Proposed New Lease without prior written consent of the City. Both parties agree but the Tenant has requested that all existing sublet leases are to remain in place.

Conditions: The City has proposed that the intent of the existing Amateur Access Agreement will remain in effect until the expiration of the TN Arena Limited Partnership Community Use and Access Agreement on November 14, 2029. This will have implications to both municipal tax and entertainment tax revenue to the City, which have been further described above in the “Taxes, Licenses and Other Fees” section. Both parties agree.

The City has proposed that the Proposed New Lease be subject to the City successfully extending the existing tri-party agreement between Riverside and 3346278 Manitoba Ltd. for CN property in close proximity of the Subject Property. Both parties agree.

The City has proposed that the Tenant must agree to support and consent to DAOC 3A/2017 which relates to various right-of-way opening and closings in the vicinity of the Subject Property. Both parties agree.

Historical and future subsidies for the tenant are included in Schedule G, along with estimated revenue related to the parking facilities and billboard signage of the ballpark complex.

Schedule H indicates the subsidies provided to each major sports franchise in the City.

Incremental revenues consist of those same realty and entertainment tax amounts + annual base rent of \$75,000, \$85,000 and \$95,000 respectively during each 5-year segment of the 15-year lease. The net budget adjustment required represents increased lease revenue (currently, the lease is \$1/annum) under the proposed 15-year initial agreement. For the purposes of this analysis, the full amount of municipal realty and entertainment taxes and annual base rent amounts are assumed to be received, and applicable grants paid, within each calendar year from 2023 to 2037.

OURWINNIPEG POLICY ALIGNMENT**01-1c – Key Directions for Specific City Areas**

“Support the expanded presence of arts, culture, sports, entertainment and leisure throughout Downtown”

The Proposed New Lease aligns with this section of the OurWinnipeg Policy, as the Winnipeg Goldeyes and Shaw Park represent a valuable and important sport and entertainment asset to the City of Winnipeg. This facility and its operations draw more people and create more extended hour activity throughout the downtown area.

01-3 Direction 8 – Encourage Activities Beneficial to the Winnipeg Economy

“Promote Winnipeg as a world-class venue for national and international events and Downtown in particular as a tourism destination.”

The Proposed New Lease aligns with this section of the OurWinnipeg Policy, as Shaw Park represents an important facility that can be used for hosting special events (formerly used for the Pan Am Games in 1999 and the Canada Summer Games in 2017, among others). The operations of the Winnipeg Goldeyes baseball organization also contribute to the downtown area by serving regular sporting entertainment and promoting tourism in the area.

Schedule E

The City of Winnipeg City of Winnipeg Sponsorship Policy

POLICY STATEMENT

In keeping with the City of Winnipeg's values, vision and mission, the City of Winnipeg welcomes sponsorships that enhance civic services and facilities.

PURPOSE

To establish a corporate sponsorship policy that supports the delivery of services to the public.

DEFINITION

A sponsorship is defined as a mutually beneficial business transaction in which an individual, business, corporation, foundation, or community group provides cash and/or in-kind services (or a combination thereof) to the City in return for access to the commercial marketing potential associated with the City service.

SCOPE

The Sponsorship Policy applies to all City programs (including equipment), services, projects, facilities, parks and park facilities, events or activities to ensure broadest possible appeal of the program

PRINCIPLES

The City of Winnipeg Sponsorship Policy is guided by the following principles:

Transparency – The City of Winnipeg Sponsorship Policy will be an open, fair and competitive process that will be managed through a Request for Sponsorship (RFS) process.

Integrity – The City of Winnipeg Sponsorship Policy will not accept sponsorships that may compromise the integrity of public services, may unduly commercialize public spaces or may promote activities which are contrary to Plan Winnipeg's vision for Winnipeg "To be a vibrant and healthy city which places its highest priority on quality of life for all its citizens."

Business Case – To ensure that the financial benefits to the City are in direct proportion to the marketing opportunity afforded to the sponsor, all sponsorships must demonstrate a mutually beneficial business case for both the City and the sponsoring partner.

- **Effectiveness** - Sponsorship opportunities must be shown to be in accord with the public interest and to have measurable outcomes to promote the transparency and integrity of the process.

PROCESS

Inventory

The City of Winnipeg will prepare a rolling inventory of assets, programs, services, events, activities or any other notion for which a sponsorship could be developed.

Request for Sponsorships

In order to ensure that the City of Winnipeg Sponsorship Policy is open, fair and competitive, the City will utilize a Request for Sponsorship (RFS) process.

Approvals

Council will approve the content of the RFS that proposes naming rights of a facility or asset prior to the release of an RFS.

The Chief Administrative Officer (or designate) will approve all other sponsorship agreements.

RESTRICTIONS

The City reserves the right to restrict sponsorships to certain services and to exclude products and industries which are inconsistent with the principles outlined in this policy. In general, the following will not be considered for the City of Winnipeg Sponsorship Policy:

- 1) Companies that promote the use of tobacco and weapons or the sale of alcohol to underage youth.
- 2) Sponsorship or marketing concepts that stereotype or otherwise denigrate individuals or groups.
- 3) Sponsorship or marketing concepts that unnecessarily promote the commercialization of public space.
- 4) Parties involved in a lawsuit, or otherwise debarred from doing business.

EXCLUSIONS

This policy does not apply to advertising opportunities sold by, or donations to, the City.

Schedule F**AMATEUR ACCESS AGREEMENT**

27.01 In consideration of the benefit to the City by becoming owner of the Project upon termination of this Lease and in consideration of the Tenant agreeing to enter into an amateur access agreement to permit amateurs to have the use of the Project on such terms and conditions as are agreed upon and as are acceptable to the Landlord, the Landlord agrees to furnish yearly funding during each year of the Term to the Tenant in an amount equal to the:

- (a) municipal portion of real property taxes (excluding any school taxes) paid on that portion of the Land and Project which relates to the presentation of baseball games, meaning the area of the Land and Project necessary for baseball games, such as the playing surface, dugouts, locker rooms, stands, bleachers and the like, as determined by the Landlord in its sole and absolute discretion; plus
- (b) the amusement tax (or any tax imposed in replacement or substitution for amusement tax) remitted to the City of Winnipeg relating to the Winnipeg Goldeyes baseball games during such year.
