EXECUTIVE SUMMARY

The Planning, Property and Development Department, on behalf of the Public Works Department, is proceeding with an application to open a portion of land on the north and west sides of Creek Bend Road to provide legal access to adjoining properties at 99 and 101 Creek Bend Road.
The City owns Parcel A Plan 25566, WLTO, being a 1.942 metre wide strip of land along the north and west sides of Creek Bend Road. The land was created and conveyed to the City to facilitate the future widening of Creek Bend Road.
Council approval is required before land can be legally opened as public right-of-way.

RECOMMENDATIONS

1. That subject to Recommendation 2, the proposed street opening shown on Miscellaneous Plan No. 15245/3 (attached as Appendix “B”), be approved.

2. That the Director of Legal Services and City Solicitor be instructed to prepare and bring directly to Council for enactment, a By-law to facilitate the street opening in accordance with Miscellaneous Plan No. 15245/3.

3. That the proper officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

REASON FOR THE REPORT

All street openings not previously approved by Council or a Standing Committee of Council must be considered by the Community Committee.
Council approval is required for all street openings.

IMPLICATIONS OF THE RECOMMENDATIONS

There are no policy, regulatory, environmental, human resource, or general, implications associated with the recommendations.

All costs associated with the opening are the responsibility of the Public Works Department, are within the approved current and/or capital budget, and are considered to be immaterial in nature.

HISTORY/DISCUSSION

Plan of Subdivision No. 2321 registered in the Winnipeg Land Titles Office on September 1, 1914, opened the street as Crescent Road. It was later renamed to Creek Bend Road by By-Law 1192/1976 passed by Council on February 19, 1976.

The City owns Parcel A Plan 25566, WLTO, being a 1.942 metre wide strip of land along the north and west sides of Creek Bend Road. Pursuant to a condition of Council's September 9, 1987 approval of rezoning application DAZ 223/87, the land was created and conveyed to the City to facilitate the future widening of Creek Bend Road.
Discussion

The Planning, Property and Development Department, on behalf of the Public Works Department, is proceeding with an application to open a portion of land on the north and west sides of Creek Bend Road to provide legal access to adjoining properties at 99 and 101 Creek Bend Road.
The proposal has been considered by all affected City departments and public utilities. There are no administrative objections to the proposed street opening.

OURWINNIPEG POLICY ALIGNMENT

Sustainable Transportation is one of four strategies forming the basis of *OurWinnipeg*. Its emphasis is on moving people, goods and services in a way that is socially, environmentally and economically sustainable.

This strategy forms the policy framework for the *Transportation Master Plan,* the objective of which is to guide the planning, development and maintenance of a multimodal transportation system that will contribute to the sustainable development of the city and region. It also provides the direction to refine and prioritize specific major street system improvements and supporting policies. Relevant key strategic goals of *Sustainable Transportation* include a transportation system that is dynamically integrated with land use, providing a safe, efficient and equitable transportation system for people, goods, and services, including infrastructure that is well maintained.

The subject openings align with the overall vision and direction of the *Transportation Master Plan.*
