EXECUTIVE SUMMARY

The time limit for enactment by Council of the necessary rezoning by-law under File No. DASZ 26/2016 will expire on November 16, 2020. The Developer has not been able to satisfy all of the conditions prior to expiry and has requested a second extension of time to enact the by-law and complete the necessary registrations at the Winnipeg Land Titles Office. With the uncertainties due to Covid-19 in 2020, the developer has been unable to progress this project to the point where they can meet the deadline.

The Winnipeg Public Service has no objection to this request.

RECOMMENDATIONS

1. That the time limit for enactment of a subdivision and rezoning by-law for DASZ 26/2016 be extended to November 16, 2022.

2. That the proper officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

REASON FOR THE REPORT

Council approval is required for an extension of time.

IMPLICATIONS OF THE RECOMMENDATIONS

If the recommendation is concurred in, the Owner will be allowed a time extension to November 16, 2022, to enact the necessary by-law and complete registrations at the Winnipeg Land Titles Office

HISTORY/DISCUSSION

On November 16, 2016, Council adopted Item No. 5 of the report of the Standing Policy Committee on Property and Development dated November 8, 2016 which recommended approval of the subject subdivision and rezoning to an “R2” Residential Two-Family District under the Winnipeg Zoning By-law 200/2006. See Appendix “A” map attached.

Recommendation 5 of the above-referenced report states:

> "That in the event the matter is not proceeded with expeditiously and the by-law is not passed within two (2) years after adoption of the report by Council, the matter shall be deemed to be concluded and shall not be proceeded with unless an extension of time is applied for prior to the expiry of the two (2)-year period and Council approves the extension."

On January 31, 2019, Council adopted Item No. 21 of the report of the Standing Policy Committee on Property and Development, Heritage and Downtown Development dated January 7, 2019 which recommended approval of an Extension of Time and that the time limit for enactment of the necessary by-law for DASZ 26/2016 be extended to November 16, 2020.

On September 28, 2020, the Developer, Qualico Communities, Attention: Lyne Jones, 1 Dr. David Friesen Drive, Winnipeg, Manitoba, R3X 0G8, submitted an application for a second Extension of Time and requested that the time limit for enactment of the necessary by-law for DASZ 26/2016 be further extended to November 16, 2022. See Appendix “B” attached.

The Winnipeg Public Service has reviewed this request for an extension of time and is of the opinion that approval of the subject extension of time would be acceptable as circumstances leading to the original approval remain unchanged.

OUR WINNIPEG POLICY ALIGNMENT

The site is located within a Mature Community area within Complete Communities Direction Strategy's Urban Structure Map. Generally, our Mature Communities will accommodate low to medium density infill development to support more efficient use of land, infrastructure and services as well as enhance housing choice and affordability. One of the key policies guiding development within our Mature Communities includes facilitating land assembly for infill development. The proposed redevelopment of this property meets the policy as a public lane and consolidation of lots are proposed to assemble the lands for future infill development.

Dear Michele,

Pointe Hebert
Extension of Time Request – DASZ 26/2016

At its meeting held on November 16th, 2016, Council approved the subdivision and rezoning application under DASZ 26/2016 alongside DAC 9/2016 to close the adjacent lane. Subsequently, on January 31, 2019, Council approved an extension to the time limit to pass the by-law for DASZ 26/2016 to November 16, 2020.

Since that time, we have continued to work with a number of builders on projects for the site at the corner of Rue Hebert and Tache. Due to the uncertainties due to Covid in 2020, we have been unable to progress this project to a point where we can meet the deadline of November 16, 2020 for passage of the by-law. We trust the City will be willing to grant a further extension of time that will allow us time to meet the commitments we have made to the residents of Pointe Hebert regarding securing a suitable project for this parcel of land.

Please confirm that this letter will meet your requirements for requesting a further two (2) year extension of time to pass the by-law under DASZ 26/2016.

Payment for this request can be processed through our trust account 12-04-1169TR.

Yours truly,

QUALICO DEVELOPMENTS (WINNIPEG) LTD.
