Subject: Budget opposition

Dear city of Winnipeg,

I'm writing to express my opposition to the proposed budget.
I think we have seen time and time again that police do more harm than good. They do not prevent crime. They increase policing, especially on BIPOC and makes the lives of Winnipeggers unsafe.

Please listen to the people of Winnipeg and fund the community.

If you are a parent, what works better when your child misbehaves? Punishment? Or a better investment in their lives, such a time and attention and love and affection?

Please consider that when you think of the city. Stop making Winnipeggers feel like criminals, and please start investing in us.

DEFUND THE POLICE!

Damaris
