Report – Executive Policy Committee – December 9, 2020

DECISION MAKING HISTORY (continued):

COUNCIL DECISION (continued):

1. A one-time “Winnipeg Small & Medium Business Bridge Grant” in the amount of \$ 750 be provided to small and medium-sized businesses that were ordered to temporarily close their doors to the public or cease operating effective November 12, 2020, as ordered by the Province of Manitoba to halt COVID-19 transmission.
2. That this grant be financed from the Destination Marketing Reserve, given that:
 - A. The Reserve is in surplus;
 - B. Traditional demand for the Reserve to secure or promote tourism and major events is likely to be depressed for many months given the Covid-19 crisis;
 - C. That protecting the diversity of our restaurant, retail and entertainment sector businesses is consistent with the mandate of the Reserve, and
 - D. The mandate for the Reserve, which is drawn from a dedicated revenue source, limits its use for other urgent City fiscal needs or priorities;and that the purpose of the Destination Marketing Reserve be amended as necessary to accomplish this.
3. That the list of businesses eligible for the Winnipeg Small & Medium Business Bridge Grant be determined by mirroring the list of Winnipeg-based businesses otherwise eligible for the Manitoba Bridge Grant announced on November 12, 2020, by means to be determined by the Winnipeg Public Service. These businesses would likely include: retail businesses not on the essential services list, personal service businesses, gyms and fitness centres, recreation and sport facilities, restaurants, bars, beverage rooms, brewpubs, microbreweries and distilleries.
