Subject: Councillor Nason's motion before EPC (speed limit reduction / plebiscite)

Andrew Poitras

I am writing to express, for the public record, my support for a plebiscite / ballot question as part of the 2022 civic election on whether or not the speed limits should be reduced.

I also want to voice, for the public record, my opposition to the reduction of speed limits in residential areas. Roads have been engineered to current speed limits and rather then wasting money on having to create tens of thousands of signs, maybe public service advertisements would be a better approach.

Thank you for the opportunity to go on the public record.

Sincerely,

Mike DiDomenicantonio
