Subject: Jan 20, 2021 EPC Meeting Item 4 2022 Municipal Election Question - Speed Limits in Residential Area

I am writing to express, for the public record, my support for a plebiscite / ballot question as part of the 2022 civic election on whether or not the speed limits should be reduced.

Furthermore, I would also like my opposition to reduce speed limits in the residential areas be placed in the public record. The residential streets have been engineered to current limits. Drivers who are aware of their surroundings and respect their neighbourhoods already regulate speed to the conditions. Additionally the city is currently doing a poor job of speed enforcement, signage and communication which will not be addressed by lowering current speed limits.
