EXECUTIVE SUMMARY

In an effort to continue to serve the citizens of Winnipeg during the COVID-19 pandemic, City Council adopted By-law 41/2020, a by-law which permits Council and its Committees to meet remotely. Remote meetings allow for Council and its Committees to continue to function while adhering to the health and safety guidelines imposed by the Province of Manitoba.

On September 30, 2020, City Council adopted an interim Council and Committees of Council schedule of meetings, as well as various delegations of authority which are designed to reduce the need for certain items to be considered by committees. The interim schedule, delegations of authority and By-law 41/2020 enabling remote meetings all expire on April 30, 2021.

Until such time as the Province of Manitoba changes its recommendation regarding social distancing, Council and its Committees will continue to be required to meet in the Council Chamber. The City Clerk's department continues to implement technical upgrades to the West and North Committee Room to allow for remote meetings should social distancing recommendations change.

This report seeks to amend By-law 41/2020 to allow for Council and its Committees to continue to meet remotely, approve an interim schedule of meetings and extend various delegations of authority previously approved by Council, until August 31, 2021.

RECOMMENDATIONS

1. That the Meetings of Council by Communication Devices By-law No. 41/2020, be amended to allow for Council and its Committees to continue to meet by communication device until August 31, 2021 (draft by-law attached as Appendix A).

5. That the City Clerk be delegated authority over scheduling of meetings of committees other than Council, Executive Policy Committee, Standing Policy Committee and Community Committees, via communication devices, as is determined to be operationally feasible, until July 23, 2021, and that Council be notified of any such scheduling.

6. REASON FOR THE REPORT

Council approval is required to amend by-laws, adopt schedules of Council and Committee meetings and to delegate the authority for certain matters.

IMPLICATIONS OF THE RECOMMENDATIONS

If the recommendations contained in this report are approved, the Meetings of Council by Communication Devices By-law 41/2020 will be amended, remote meetings will continue as are occurring currently, various delegations of authority approved on September 30, 2020 will be extended and the attached schedule of meetings will be in effect.

HISTORY/DISCUSSION

Remote meetings of Council and its Committees began on April 20, 2020. Through January 30, 2021, the City Clerk's Department will have facilitated approximately 155 remote meetings of Council and its Committees, including public hearings and appeal hearings, all of which have seen remote participation by Members of Council, the Winnipeg Public Service and delegations.

Further to the technical and process improvements made in the Council Chamber, the Department has also modified the North and West Committee Rooms to facilitate remote assessment appeal hearings by the Board of Revision. To date, the Board has facilitated approximately 130 remote assessment appeal hearings.

Although the North and West Committee Rooms have been updated to accommodate remote meetings of the Board of Revision, additional changes may be required should social distancing recommendations from the Province of Manitoba be changed in a way that would permit committees to meet in these rooms. Current social distancing recommendations would only allow for a maximum of five people per committee room.

The Department will continue to engage Council to determine how remote meeting technology can be best used in the future once Provincial health orders are lifted and social distancing is no longer recommended.
