Re: PW 01/02 Proposed amendment to *Plan Winnipeg* By-Law no. 7630/2000 by redesignating lands located North of Portage Avenue and West of Camp Manitou Road from a *Rural Policy Area* to a *Neighbourhood Policy Area*

For submission to: **Executive Policy Committee**

Original report signed by: **Director of Planning, Property and Development**

Report date: April 17, 2002

In camera item: **No**

Recommendation(s):

1) That *Plan Winnipeg* By-Law no. 7630/2000 be amended by redesignating lands located on the North side of Portage Avenue to a depth of approximately 103.5 metres (340 feet), bounded by the Winnipeg City limits to the West, and the existing *Plan Winnipeg Neighbourhood Policy Area* to the East from a *Rural Policy Area* to a *Neighbourhood Policy Area* as outlined in the attachment;
2) That in accordance with recommendation 1), By-Law No. XXXX/2002 (attached), amending By-Law 7630/2000 receive first reading; and
3) That Executive Policy Committee be instructed to hold a public hearing in accordance with Sections 579(3) & 632 to 645 of the City of Winnipeg Act.

REPORT SUMMARY

KEY ISSUES:

- The subject lands were proposed for redesignation during the *Plan Winnipeg* review process when the Plan received second reading
- The purpose of the redesignation was to ensure consistency of land use as adjacent lands to the east were already designated *Neighbourhood*, developed and serviced, as well, land to the south within the City was also proposed to be redesignated to *Neighbourhood*. Land immediately to the West and South in the R.M. of Headingley are also designated *Commercial* under the R.M.'s Development Plan.
- Council redesignated the subject lands at second reading, after public hearings had been closed. The Minister of Intergovernmental Affairs required that such a redesignation be the subject of a separate public hearing, therefore the subject lands were returned to their original designation (as passed at first reading).
- The subject lands are now being brought forward for redesignation under the *Plan Winnipeg* amendment process.

IMPLICATIONS

General implications

☐ None
☐ For the organization overall and/or for other departments

X	For the community and/or organizations external to the City of Winnipeg
	Involves a multi-year contract

Comment:

- The subject lands are privately held and this redesignation will affect their ability to be developed.

Policy implications

	No (*There are no policy implications if the report is asking for a one-time decision.)*
X	Yes *(There are policy implications if the recommendation(s) is/are asking for a decision that will be used to guide decisions over time.)*

Comment:

- The recommendation asks for changes to *Plan Winnipeg Policy Plate A – Land Use*, the Policy Plate that guides land development for the City of Winnipeg

Financial implications

	Within approved current and/or capital budget
	Current and/or capital budget adjustment required
X	No financial implications

Comment:

- The proposed change is of a policy nature and is not anticipated to have financial implications for the organization

REPORT

RECOMMENDATION(S):

1) That *Plan Winnipeg* By-Law no. 7630/2000 be amended by redesignating lands located on the North side of Portage Avenue to a depth of approximately 103.5 metres (340 feet) bounded by the Winnipeg City limits to the West, and the existing *Plan Winnipeg Neighbourhood Policy Area* to the East from a *Rural Policy Area* to a *Neighbourhood Policy Area* as outlined in the attachment;
2) That in accordance with recommendation 1), By-Law No. XXXX/2002 (attached), amending By-Law 7630/2000 receive first reading; and
3) That Executive Policy Committee be instructed to hold a public hearing in accordance with Sections 579(3) & 632 to 645 of the City of Winnipeg Act.

REASON FOR THE REPORT:

At its meeting of October 25, 2000 Council gave second reading to *Plan Winnipeg* By-Law 7630/2000 which included an amendment to redesignate lands fronting Portage Avenue in the Assiniboia Downs Neighbourhood from a *Rural Policy Area* to a *Neighbourhood Policy Area*. This redesignation was subsequently reversed under the instructions of the Minister of Intergovernmental Affairs when *Plan Winnipeg* By-Law 7630/2000 received third reading on December 12, 2001. The Director of Planning, Property and Development Department has initiated this amendment process for consideration by **Executive Policy Committee** as the committee responsible for Plan Winnipeg.

HISTORY:

In 1995 *Plan Winnipeg* was amended to redesignate a portion of the lands located West of the Perimeter Highway, North of Portage Avenue from a *Rural Policy Area* to a *Neighbourhood Policy Area*. These lands have since been serviced with a full range of municipal services and developed as the Pointe West Auto Park. During the recent *Plan Winnipeg* review process lands in the Assiniboia Downs Neighbourhood located south of Portage Avenue were also redesignated from *Rural Policy Area* to *Neighbourhood Policy Area* as there was a need for an additional supply of residential land to meet demand in the westernmost part of the City and, the lands could be serviced with a full range of municipal services.

After the Public Hearing on *Plan Winnipeg*, and prior to third reading, a proposal came forward from the landowner with the support of the area councillor to also redesignate the remaining frontage along the North side of Portage Avenue to *a Neighbourhood Policy Area*. The **Executive Policy Committee** considered this proposal and chose to include this redesignation in the amended *Plan Winnipeg* that went forward to Council and received second reading. This amended Plan was sent to the Minister of Intergovernmental Affairs for comment and approval.

The Minister regarded that significant changes in land-use designation should not occur after public hearings have been closed and directed Council to return the subject property to its original designation.

DISCUSSION:

The subject property is located on the North side of Portage Avenue, adjacent to the Pointe West Auto Park to the East. Lands immediately to the South and West are in the R.M. of Headingley and designated for Commercial Development under their development plan. The redesignation of the subject property along the Portage Avenue frontage would ensure consistency of land use for the immediate area. This land is suitable for highway commercial development and can be readily serviced with the full range of municipal services as required by *Plan Winnipeg Policy 3B-02 - Guide the Development of New and Existing Residential Areas*.

Under this *Plan Winnipeg* amendment process, the redesignation of these lands will be advertised and be the subject of a public hearing, thus addressing the concerns of the Minister of Intergovernmental Affairs. As the lands will remain zoned A – Agricultural, their development will also require a rezoning where any detailed concerns such as servicing and access can be dealt with more thoroughly.

Financial Impact Statement

Date: 23-Apr-02

COMMENTS:

As the recommendations of this report relate to legal/administrative elements only, it is anticipated that there will be no material financial impact to the City in their implementation.
