Community Incentive Grant Application - Mulvey Parent Council

File PR-2.6(32) (Vol. 10)

7. The Standing Policy Committee on Protection and Community Services, at its meeting on May 6, 2002, considered an application from the Mulvey Parent Council for a Community Incentive Grant in the amount of $5,700.00 to cover the costs of erecting permanent signage to post timeframes of holidays at Mulvey School, as well as to encourage student enrollment registrations.

The application does not meet the eligibility criteria contained in the Community Incentive Grant Program.

The Standing Policy Committee on Protection and Community Services recommends:

I. That the following eligibility criteria for the Community Incentive Grant Program, be waived in this instance, namely:-

   A. The project is to make a significant contribution to the long-term benefit of the community-at-large in terms of improved facilities;

   B. The project is not to compete with or duplicate other community facilities;

   C. The project is to clearly articulate a plan of activities including projected work schedules, material, labour, equipment and other project requirements and lead to the completion of a substantial physical product;

   D. The applicant has requested seventy percent (70%) of the total project cost and therefore would not be contributing fifty percent (50%) of the capital costs from their own sources.

II. That a Community Incentive Grant in the amount of $4,000.00 be approved to Mulvey Parent Council for the purpose requested, subject to the following conditions:

   A. Approval of final plans and specifications for the project by the Director of Community Services; and

   B. The applicant entering into a formal agreement with the City of Winnipeg.

III. That the Proper Officers of the City be authorized to do all things necessary to implement the foregoing.
