REASON FOR THE REPORT:

The dedication of this property as public street requires a by-law pursuant to Section 139 of the City of Winnipeg Charter.

HISTORY:

In January of 2003, the Standing Policy Committee on Property and Development considered the report of the Director of Public Works and instructed the Planning, Property and Development Department to initiate negotiations for the acquisition of the land required for the widening at the south east corner of King Edward Street and Logan Avenue.

The street corner widening is a part of the 2003 Capital Budget, as approved by Council on March 28, 2003.

The owner of the property has agreed to its sale and the City of Winnipeg is now entitled to be the owner of the land. The construction of the widening was completed in 2003.

DISCUSSION:

This report is submitted in accordance with the provisions of By-Law 7325/98, a by-law to amend current procedures to allow certain street opening and closing applications to be submitted to the Executive Policy Committee for report to Council without the requirement to be reviewed by a Standing Policy Committee.

The following criteria must be met before the authority given in the by-law may be exercised:

OPENINGS

1. The proposed opening and acquisition must have been approved by the Director of Public Works.
2. The proposed opening must have been submitted to all affected City Departments and public utilities with no objections having been received.
3. Any conditions regarding engineering aspects (i.e. relocation of facilities) must have been mutually agreed to.
4. The affected property owner(s) must have agreed to the terms and conditions of the acquisition of the land required for the proposed opening.
5. The terms and conditions of any agreements concerning the proposed opening and acquisition must have been approved by the Director of the department that requested the opening and either the Standing Policy Committee on Fiscal Issues, the Standing Policy Committee on Property and Development, or the Director of the Planning, Property and Development Department, as is appropriate.

All of these criteria have been met.

Financial Impact Statement 11-Mar-04

COMMENTS:

The funding for the registration of the documents required to effect this opening has been provided by the Public Works Department. These costs are considered to be immaterial.
