DECISION MAKING HISTORY (continued)

AND WHEREAS on November 13, 1985, Council adopted the following recommendation:

> "That where the City decides entirely at its own discretion that a particular group is performing some function with some identifiable benefit to the City-at-large which is worthy of financial assistance, such assistance be provided by way of a City grant in an amount which might equate to part or all of the group's property taxes, to be funded entirely by the City's taxpayers."
