Dear Ms. Marques:

**ZONING AGREEMENT AMENDMENT**
East side of Brookside Boulevard, north of Logan Avenue
Assiniboia Community

**File No. ZAA 1/04**

---

An application has been received from SDM Consulting Ltd., to withdraw the Zoning Agreement affecting the land shown outlined below. The Zoning Agreement which presently restricts the land use to a contactor's equipment storage yard with the requirement for the erection of a chain link fence on the north/northeast boundary of the land.

**SITE DESCRIPTION:**

Dimensions: 660.61 feet of frontage on Brookside Boulevard

Site Area: 4.1 acres.

Existing Land Use and Zoning: vacant land zoned "M2" (contractor's equipment storage yard).

**DEVELOPMENT DESCRIPTION:**

The land was rezoned under DAZ 232/84. At the time, the administration opposed the rezoning on the grounds that it was contrary to Plan Winnipeg to rezone unserviced agricultural land in an Industrial Policy Area. The application was subsequently approved with the subject zoning agreement limiting the use of the land to a contractor's equipment storage yard.

**ADMINISTRATIVE COMMENTS**:

The administration is of the opinion that the withdrawal of the Zoning Agreement is premature unless and until sewer, water and land drainage services are extended to the site. However, the administration would support the use of the land for a slightly wider range of uses that would not involve buildings or employees being stationed on-site on a daily basis. The administration is of the opinion that a fence along Omand's Creek is appropriate to prevent encroachment into the waterway lands.

**RECOMMENDATION:**

I. That Zoning Agreement DAZ 232/84 (By-Law #3934/85), dated January 23, 1985, be amended as follows by adding to Clause 2 the following land uses.

- Clay/gravel/sand/stone: processing; distribution; soils dealer, subject to Conditional Use
- Radio or Television Tower (subject to Conditional Use and federal approval as required.
- Storage Compound subject to Conditional Use where necessary.

II. That the City Solicitor be requested to prepare the necessary Amending Agreement to Zoning Agreement DAZ 232/84 (By-Law #3934/85), dated January 23, 1985, as approved in aforesaid Clause I.

III. That the Proper Officers of the City are hereby authorized to execute said Amending Agreement.

IV. That the City Solicitor be requested to do all things necessary for implementation in accordance with the terms of The City of Winnipeg Charter.

Yours truly,

C. Knoll
